## **WINTER LIGHTS, WINTER NIGHTS IN GOLDEN: A NEW TYPE OF DINING EVENT FOR GOLDEN, COLORADO, FEB. 1-10, 2019**

**GOLDEN, Colo. JAN. 7, 2019** Up your “date night” or boost your family fun during *Winter Lights, Winter Nights in Golden*, a new dining event, running Feb. 1 - 10, 2019. *Winter Lights, Winter Nights in Golden* was created to showcase Golden’s diverse dining scene and dazzling holiday lights, which will be illuminated through February 10th.

For the first ten days in February, many of Golden’s fine dining restaurants, bars, breweries, distilleries, sandwich shops, pizzerias, taverns and saloons will all offer a special, once-a-year discount or special to help promote Golden. “It’s a way to encourage people to get out, try someplace new or re-visit longtime favorites, while enjoying the spectacular lighting display along Clear Creek and throughout downtown,” said Hannah Button, Community Marketing Manager of Visit Golden.

Every participating establishment will offer a different deal. For example,

- Abejas is featuring the "Winter Nights" braised beef short rib paired with a glass of red wine for \$30.
- State 38 Distillery will offer unlimited two-for-one cocktails.
- The ever-popular Woody’s Wood Fired Pizza is offering a free “Cinnamon Dough Knot” dessert with purchase of two entrees.
- Nomad Taqueria will offer 2 for 1 Margaritas, draft beers and kids will eat free.
- Bridgewater Grill will offer a free dessert with an entrée purchase.
