2025 EVENTS

DESTINATION
GRANBY
COLORADO

DEAR COMMUNITY MEMBERS

Destination Granby, an accredited Main Street America organization, is a small but mighty nonprofit serving the mountain community of Granby, Colorado. We are responsible for planning and executing major events, providing marketing and business support, and spearheading beautification and placemaking efforts for the town of Granby. Destination Granby also serves the community by operating the Granby Information Center and conducting destination marketing services for the greater Granby area.

As fellow workers and residents of Granby, our organization is passionate about preserving the best parts of Granby and its history while supporting and investing in a vibrant community for all who live in and visit our town. We love Granby and are working hard to increase downtown economic vitality while maintaining an authentic, mountain town.

Although generously funded by the Town of Granby, we still need to raise critical dollars to continue free, community events. Your sponsorship helps us engage and support the community by enhancing downtown, so residents and visitors can enjoy social gatherings and events which strengthen our community.

Your sponsorship helps sustain and enhance our town and enables Destination Granby to meet our mission and vision. If you are interested in custom sponsorships or additional avenues for donations, please connect with us!
