

THE GVRR EXPERIENCE

The Grapevine Vintage Railroad travels along the historic Cotton Belt Route between Grapevine and the Fort Worth Stockyards. The Railroad is serviced by two vintage locomotives—"Puffy" the 1896 steam locomotive, which is the oldest continuously operating steam engine in the South, and "Vinny" the 1953 GP-7 diesel locomotive. Passengers enjoy riding in authentic 1920s Victorian-style coaches as they take a step back in time and experience train travel as it was in the glory days of the expanding West.

REGULAR EXCURSIONS

The Grapevine Vintage Railroad provides three unique riding options—a Saturday morning one-hour train excursion, the Grapevine to Fort Worth Stockyards excursion and a one-hour ride over the Trinity River that boards in the Stockyards. Both historic Grapevine and the Stockyards offer outstanding retail, entertainment and special events throughout the year.
