## THE PALACE ARTS CENTER

The Palace Arts Center, comprised of the Lancaster Theatre and the Palace Theatre, provides a unique downtown entertainment opportunity and is the place to celebrate music, theater, dance, cinema and the visual arts. The Palace Theatre opened its doors in 1940 and for nearly 30 years was *the* place to see movies. Re-dedicated in 2001 as the Palace Arts Center, the facility now serves as a community performing arts center, reception hall, art gallery and concert venue.
