## All aboard for fun on the Grapevine Vintage Railroad

### The GVRR Experience

The Grapevine Vintage Railroad (GVRR) travels along the historic Cotton Belt Route between Grapevine and the Fort Worth Stockyards. The Railroad is serviced by two vintage locomotives—"Puffy" the 1896 steam locomotive, which is the oldest continuously operating steam engine in the South, and "Vinny" the 1953 GP-7 diesel locomotive. Passengers enjoy riding in authentic 1920s Victorian-style coaches as they take a step back in time and experience train travel as it was in the glory days of the expanding West.

### Regular Excursions

The Grapevine Vintage Railroad provides three unique riding options—a Saturday morning one-hour train excursion, the Grapevine to Fort Worth Stockyards excursion and a one-hour ride over the Trinity River (as schedule permits) that boards in the Stockyards. Both historic Grapevine and the Stockyards offer outstanding retail, entertainment and special events throughout the year.

## Festivals done right

You can't miss Grapevine's many award-winning festivals. Year-round events means you're never far away from a memorable experience.

Spring is festival season in Grapevine with Jazz Wine Trains, New Vintage Wine and Gallery Trail & Blessing of the Vines, Day Out With Thomas on the Grapevine Vintage Railroad and culminating with Main Street Fest—A Craft Brew Experience, three days of family-friendly fun in May.

After that it's time for SummerBlast. With fireworks every Friday night over Lake Grapevine, as well as the July 4th Fireworks Extravaganza, you'll have an explosive good time. As summer winds down, it's time for GrapeFest®—A Texas Wine Experience, the largest wine festival in the Southwest. More than 260,000 people show up each year to this four-day event.

Starting in November, the entire city is decked out in its holiday best for The Christmas Capital of Texas®. Discover the magic of Christmas with 1,400 events in 40 days and finish out your year with an extra large serving of joy.
