

NIBA 2025 Annual Convention Invitation Letter
September 9-12, 2025 | Grapevine, Texas

Dear Belting Industry Colleagues,

As President of NIBA - The Belting Association, it is my privilege to invite you to join us for the [NIBA 2025 Annual Convention](#) in Grapevine, Texas, from September 9-12, 2025.

The Industry's Premier Gathering

Each year, our convention brings together more than 650 professionals representing every facet of the belting industry—manufacturers, distributor fabricators, and affiliates—for four days of unparalleled networking, education, and innovation showcase.

The truth in our industry is simple: **If you're not at NIBA, you're not in belting.**

Why Attend the 2025 Convention

NIBA's strength has always been built on three core pillars:

Connections

The relationships formed at NIBA conventions transcend business—they become the foundation of your professional network. Our carefully designed networking events, from welcome receptions to organized activities, create the perfect environment for meaningful conversations with industry leaders, potential partners, and peers facing similar challenges.

Knowledge

Stay ahead of industry trends with our curated educational sessions led by subject matter experts. Gain insights on technological advancements, market forecasts, operational efficiencies, and regulatory updates that directly impact your business. The knowledge gained at a NIBA convention delivers value long after the event concludes.

Innovative Products

Experience firsthand the latest products and solutions transforming our industry. Our exhibition hall showcases cutting-edge technologies and services from leading suppliers,

Dallas, TX 75206 | 469-324-2589

giving you direct access to innovations that can enhance your operations and competitive advantage.

Registration is available starting in April 2025

For non-members, I extend a special invitation to experience the NIBA difference. While the convention alone delivers exceptional value, NIBA membership unlocks year-round benefits including technical resources, educational opportunities, and a supportive community of industry professionals.

Reserve Your Place

Visit www.niba.org to learn more, and secure your accommodations at our host venue the Gaylord Texan Resort in Grapevine, Texas.

The NIBA Annual Convention isn't just an event—it's where our industry comes together to shape its future. I look forward to welcoming you personally this September.

Sincerely,

Mark Jadwin
