The Grapevine Visitor Information Center offers daily tours of Grapevine Main Station and its Observation Tower. The guided tours are 20–25 minutes long and include the newly built Harvest Hall, Hotel Vin, Peace Plaza, Peace Circle monument and a ride up to the viewing level of Grapevine Main Observation Tower.

Visitors receive an informational overview of the arts, attractions, town history and upcoming events. Once in the Tower, the knowledgeable tour guides will describe points of interest and landmarks in the Dallas Fort Worth Metroplex as well as the City of Grapevine from 150 feet up in the open-air Tower.

Great fun for everyone for only \$3 per person, includes complimentary baggage check during your tour.

After your tour, why not enjoy a meal from one or more of Harvest Hall's chef-driven kitchens, grab a drink at one of the bars inside Grapevine Main Station or take a stroll down Grapevine's Historic Main Street and soak in the charming, vintage atmosphere?
