Zach Wirrig, Director of Public Projects, explained to the Board that the City elected not to go with alternate bid for the Rebekah Park Trails project. When the alternate bid was excluded from the bids from last month, the lowest bid became PAF Construction, LLC., instead of the company that was conditionally approved last month when the alternate bid was still considered. Motion to approve the contract with PAF Construction, LLC for the Rebekah Park Trails project made by Jamie Cain, seconded by Lauren Barnhorst. Voice vote, all ayes no nays. Motion passes.

Brooke Chaille from Reedy Financial returned to answer any questions from the Board on the water and wastewater fees. There was extensive discussion on what the City could do to help keep the rates low moving forward. Fire Chief Nate Stoermer presented a contract for a records management service. The records management service they currently have is being phased out. They have received demonstrations from multiple other services, trying them out for compatibility. The new contract he is requesting is with ESO. It is required to have a record management service. Motion to approve the contract as presented made by Glenn Tebbe, seconded by Robin Meyer. Voice vote, all ayes no nays. Motion passes.

Street Commissioner Mark Klosterkemper presented quotes from SourceWell for a dump truck. Motion to approve the cab, chassis, and all additional pieces for the dump truck made by Jamie Cain, seconded by Lauren Barnhorst. Voice vote, all ayes no nays. Motion passes.

Klosterkemper also presented a quote for the purchase of a forklift to help lift items to the balcony area in the garage of the street department. Motion to approve the purchase using the bond interest made by Jamie Cain, seconded by Robin Meyer. Voice vote, all ayes no nays. Motion passes.

Director of Public Projects Zach Wirrig announced that the City received a grant for \$1,000,000 from INDOT. This will also be used to update the light cabinets along Lincoln Street, as well as LED lights, audio signaling for visually impaired individuals, and re-striping of Lincoln Street.

Wirrig also announced that the City was awarded CCMG 2024-2. This award is for \$557,000 to resurface and fix curbs and sidewalks on 30+ streets in the city. The project for this will start in February 2025.

Finally, Wirrig updated the Board on the Washington Street project. The intersection of Monfort and Washington will be wrapping up the week of Christmas and opening back up. The next phase of that will be Jackson and Washington and plan to be closed through March.
