The County and the Decatur County Community Foundation applied for a Lilly Grant for \$5,000,000, which will help funding this program for an estimated 5-6 years. Jail Commander Mike Eggleston spoke on the planning and implementation of the program. There was discussion held over what the set-up would look like as far as staffing and under which entity (County or City). City Counsel Chris Stephen stated that he and the County's attorney will work together to draw up a Memorandum of Understanding for the next 5-6 years.

Chief McNealy also presented information on the purchase of a new K-9 officer. This purchase was made with the help of the Sheriff's department. Chief McNealy will bring the officer to next month's meeting to be introduced.

He also talked about what might be the next possible steps, including taking another look at the feedback and possibly sending it to the RDC to look at.

Wirrig presented a proposal from Michael Baker (INDOT's designer for water main and sewer improvements) for the sewer line on the east main portion of the Washington Street project.
