Councilman Kevin Fleetwood brought forth a question on a possible ordinance change in the future. Ordinance 2019-40 allows UTV's to drive on the city streets but not state highways. However, according to Indiana Code 9-21-3-3.3, and samples from other communities, there is a possibility of amending the current ordinance to allow UTV's to drive on state highways that are within the city limits. Councilman Fleetwood asked if the other Council members would be open to discussing that amendment at a future meeting, all agreed to being open to the discussion.
