Ramono Amek - \$3,000
Ringwood Motors - \$1,080

Mayor Marsh asked that the Board take these bids under advisement and table the decision based on the possible "second life" for the vehicle for the City purposes. He asked for the next month to talk to the mechanic and insurance on the possibility of this other option and to bring it back to the Board in July for a final decision. Motion to table the bids made by Rodney King, seconded by Jamie Cain. Voice vote, all ayes no nays. Motion passes.

Amber Coyne, Building Office Assistant, presented a grass violation appeal 300 E First Street. John Holman was sent a letter addressing the height of his grass; however, no further action was taken by the City as the issue was rectified by the time Mr. Holman received the letter. According to the ordinance, the letter itself is a warning that will be on his record for the next three years. If he receives another letter in that time frame, there will be a fine. Mr. Holman was asking for the initial warning to be removed since he took care of the grass before he received the letter and to avoid the possibility of being fined if there is another letter sent. There was discussion from the Board on taking a closer look at the ordinance and possibly making a recommendation to the Council to amend that ordinance to a shorter period instead of the current three-year period. Motion to reverse the violation made by Rodney King, seconded by Lindsay Jobe. Comments and further explanation of the process took place. Voice vote. No ayes all nays. Motion to reverse the violation does not pass.
