BOARD OF PUBLIC WORKS MEETING

TUESDAY, SEPTEMBER 8, 2026 | 5:30 PM

Pledge of Allegiance

Today is Tuesday, September 8, 2026, and the time being 5:30 pm. The meeting of the Greensburg Board of Works has been called to order.

Roll Call

Present – Jamie Cain, Lauren Barnhorst, Robin Meyer, Glenn Tebbe, Mayor Joshua Marsh

Absent –

Approval of Minutes

Minutes from the August 11 regular meeting and September 3 special meeting were approved as presented.

Old Business

No old business

New Business

Wastewater Superintendent Joe Cain requested a replacement of the department's Lobeline pump. There are three of these pumps in rotation in the department's process, plus one backup in case one goes out. One of them has failed and would cost more to repair than replace. The life of the pump is at least 15 years. Due to the five- to six-week waiting period to receive a new pump, Cain thought it best to continue to have a backup for times like this. Motion to approve the purchase of a replacement pump made by Glenn Tebbe, seconded by Robin Meyer. Voice vote, all ayes no nays. Motion passed.

Street Commissioner Mark Klosterkemper requested permission for disposal of the 2008 Ford F-250 plow and salt spreader. This truck was replaced with a new one approved several months back. Klosterkemper also requested the purchase of a new salt spreader that will be mounted onto the new truck, as the old one could not be salvaged. The new one from Mid-State Truck Equipment was quoted at $6,600. This quote was obtained through the Sourcewell government program, which bypasses the standard bidding process and permits a single quote. Motion to approve the purchase of the salt spreader made by Robin Meyer, seconded by Jamie Cain. Voice vote, all ayes no nays. Motion passed.

Klosterkemper stated that he planned to put the truck up for sale through sealed bids "as is", with the old spreader and old plow still attached to it. Motion to approve the disposal of the 2008 Ford F-250 as stated made by Jamie Cain, seconded by Lauren Barnhorst. Voice vote, all ayes no nays. Motion passed.

Director of Public Projects Zach Wirrig requested permission to dispose of the 1992 International Vac Con Wastewater Vacuum Truck. This equipment has recently been replaced. The preferred path would be to send it to auction, through Harmeyer Auction. Motion to dispose of the 1992 Vac Con Truck made by Robin Meyer, seconded by Jamie Cain. Voice vote, all ayes no nays. Motion passed.

Wirrig presented an agreement for the Broadway inspection services with Fleis & Vandenbrink. This is a third-party inspection service, which are required for the Broadway water and sewer replacements currently being performed by Lykins Contracting. The contract is for up to nine months, covering 40 hours a week. Lykins Contracting plans to work four 10-hour days as long as possible, utilizing the fifth day if they get behind schedule. Duties include on-site inspection, daily reporting, photo logging, and quantity tracking. The Water Board approved its portion of the contract on the previous Tuesday. The sewer portion of the contract is approximately $45,000. The total contract cost is being split by a straight percentage division. Motion to approve the contract with Fleis & Vandenbrink made by Glenn Tebbe, seconded by Lauren Barnhorst. Voice vote, all ayes no nays. Motion passed.

Police Chief Mike McNealy presented a contract for a therapy K9. The City attorney, Chris Stephen, reviewed the contract and sent it back to the company in hopes for some clearer language that is more appropriate for a municipality. Chief McNealy said the other party has not yet responded. He requested the Board approve the contract pending there are no large changes to the ones that have been proposed. Motion to approve contract and authorize Mayor to sign it made by Glenn Tebbe, seconded by Jamie Cain. Voice vote, all ayes no nays. Motion passed.

Chief McNealy also requested an executive meeting to fill an opening in the department. A meeting will be scheduled sometime for the first week of October.

Clerk Treasurer Amy Borns requested approval for the final OOR invoices. Whitney Koelling was present to answer any questions about closing out the grant. 21 homeowners were helped through this grant. Motion to approve the invoices made by Robin Meyer, seconded by Lauren Barnhorst. Voice vote, all ayes no nays. Motion passed.

Mayor Joshua Marsh presented an agreement with Accelerate Rural Indiana for a READI 2.0 project. This is for The Arbor apartments being constructed downtown. There is no financial commitment, the funds are provided entirely by the READI Region. Mayor explained and clarified that the agreement might have to go through the Redevelopment Commission, but it would be helpful if the Board approved it just in case. Motion to approve the project made by Glenn Tebbe, seconded by Jamie Cain. Voice vote, all ayes no nays. Motion passed.

Motion to approve the claims as presented made by Robin Meyer, seconded by Lauren Barnhorst. Voice vote, all ayes no nays. Motion passed.

Adjourn

Motion to adjourn made by Lauren Barnhorst. Meeting adjourned at 5:53 PM.

These minutes are a summary of actions taken at the Greensburg Board of Public Works meetings. The full video archive of the meeting is available for viewing at https://vimeo.com/user109849216 for as long as this media is supported.
