### IEDC Visit

# EMPLOYEE SPOTLIGHT

Louis Moore

ASSISTANT COMMISSIONER  
STREET DEPARTMENT

Louis has dedicated seven years to the City, beginning as summer help before transitioning to a full-time role six years ago. Often described as a "jack of all trades," Louis is a vital asset to the team. His responsibilities span from hands-on field work—driving garbage trucks, plowing snow, and clearing properties—to administrative tasks like coordinating training sessions and managing work schedules.

Louis first joined the City during college, drawn by the opportunity to work outdoors and gain hands-on experience. Following a departmental retirement, he was hired full-time in the spring of 2019. Now serving as the Assistant Street Commissioner, Louis enjoys the unpredictable nature of his daily tasks, though he finds his greatest satisfaction in working alongside the crew. For Louis, the most rewarding aspect of the job is the opportunity to serve his community and build a life in his hometown.

A 2017 graduate of Greensburg Community High School, Louis studied Business Administration at Vincennes University and Ivy Tech. Outside of work, he lives locally and enjoys spending time with his two dogs, Bernie and Wheezy. He is an avid sports fan—most recently cheering on the Hoosiers this past New Year's Day—and spends his free time fishing, hiking, camping, and attending local music festivals.

His philosophy for success is simple: "Work hard and save money—everything will fall into place!"

Street Commissioner Mark Klosterkemper had this to say about Louis: *"Louis came to the team almost seven years ago as a seasonal employee and quickly developed as a hard worker with the passion to move forward with Greensburg. He is a hard worker and has shown the desire and leadership potential that can develop to set the tone for the Street Department. I'm excited to keep working with Louis and the team towards our future goals."*
