Section II. Definitions

A. Contract

This document, including the Certificate and applicable Summary (ies) of Dental Plan Benefits (the terms of which are incorporated herein), and if applicable, any appendices, supplements, riders, successor contracts, renewal letters, or renewals now or hereafter issued or executed.

B. Rate

The amount, per Enrollee and Enrollee classification, the Contractor agrees to pay Delta Dental each month. This amount, or the information necessary to compute it, is specified in the Declarations Section.

C. License

A limited, non-transferable, non-exclusive, non-sublicensable, temporary license granted to Contractor by Delta Dental to access and use Delta Dental's web portals.

Any capitalized terms not defined herein are defined in the Certificate.

Section III. Eligibility

A. Eligibility and Enrollment

Contractor shall have sole responsibility for determining the eligibility of, and shall manage the enrollment, disenrollment, and contribution obligations of all Members.

B. Eligibility Requirements and Waiting Periods for Members

Eligibility requirements and waiting periods for Members are set forth in the Certificate and the applicable Summary(ies) of Dental Plan Benefits.

C. General Eligibility Rules

No person will be eligible for Benefits under this Contract unless the Contractor has either currently enrolled that person as an Enrollee or currently listed or acknowledged that person as a Dependent. Contractor shall provide eligibility information in accordance with Section V.B. of this Contract.

D. Termination of Eligibility

Eligibility for Benefits will terminate for all Eligible Persons under this Contract at the earlier of:

1. The termination of this Contract; or
2. Midnight of the last day of the month for which payment has been made if the Contractor fails to make the payments required by this Contract. Notwithstanding the foregoing, if payment is not paid within 30 days of being invoiced, Delta Dental shall put all claims on hold until payment is made. If invoice remains unpaid past 30 days, Delta Dental shall have the right to terminate the Contract.

Eligibility of an individual Member will also terminate under the following circumstances:

1. The Member ceases to meet the definition of an Enrollee or a Dependent as defined by this Contract;
2. The Member fails to comply with the eligibility requirements of this Contract; or
3. The Member commits fraud or misrepresentation in the submission of any claim.

A Member whose eligibility is terminated may not continue group coverage under this Contract, except as required by the continuation coverage provisions of the Consolidated Omnibus Budget Reconciliation Act of 1985, or comparable, non-preempted state law ("COBRA"). An affiliate of Delta Dental also may offer coverage under an individual direct payment policy to an Eligible Person whose eligibility is terminated.

E. Continuation Coverage – COBRA

The other provisions of this Contract notwithstanding, eligibility for Benefits will continue for a person who is required to be provided with and elects continuation coverage pursuant to COBRA, provided:

1. Continuation coverage is required to be provided under COBRA, the person elects COBRA coverage and the Contractor notifies Delta Dental that the person is eligible for Benefits under COBRA. Not all employers are subject to the continuation coverage requirements contained in COBRA. For those that are not, this Section III.D. does not apply. Contractor should consult with their legal counsel to determine how and when the law applies.
2. Continuation coverage shall only be in effect up to the first day of the month after the person notifies the Contractor that he or she no longer wants coverage from Delta Dental, the date a COBRA premium payment was due and was not remitted by the end of the COBRA Grace Period, or until the end of that person's continuation coverage period, whichever occurs first.
3. Further, if the Contractor fails to make payments required by this Contract, continuation coverage shall only remain in effect until the last day of the month for which payment has been made to Delta Dental by the Contractor; provided, however, that any payment for COBRA continuation coverage received during a period that is 30 days following the date the COBRA premium payment was due (the "COBRA Grace Period") will provide continuation coverage from the due date. A person's coverage may be retroactively reinstated for the 60-day COBRA "election" period if the Contractor pays the applicable Rate for the period within the 45-day period following the date of the COBRA election. Delta Dental may, at its sole option and without notice, continue coverage, if legally required.
4. Continuation coverage will not continue beyond the termination of this Contract.
5. The person who is receiving continuation coverage is responsible for the costs of any services provided after he or she is no longer eligible for continuation coverage under this Section III.D.
6. Contractor shall be solely responsible for identifying Members entitled to COBRA continuation coverage. Contractor shall provide all required notices, collect all necessary payments, and otherwise administer all facets of its COBRA program. In the event that Contractor continues to provide eligibility information to Delta Dental for a Member during the COBRA election period, as opposed to terminating coverage and then retroactively reinstating the Member upon the Member's election of COBRA coverage, Contractor shall be liable for any Benefits paid or Rates due during that period if the Member ultimately does not elect COBRA coverage.
7. The monthly Rate that must be paid on behalf of any person who is provided coverage under this Section III.D. will be based on the COBRA continuation coverage Rates in effect during that month.
8. A person who continues coverage will be considered to be a Member under this Contract and the dental care certificate as long as coverage is provided under this Section III.D.
9. Delta Dental does not assume any of the obligations assigned by COBRA to the Contractor or any employer (including the obligation to notify potential beneficiaries of their rights or options under COBRA), and the Contractor agrees that it will perform those obligations in full.

F. Loss of Eligibility During Treatment

1. If a Member loses eligibility while receiving dental treatment, only Covered Services received while that person was eligible under the Contract will be payable.
2. Certain services begun before the loss of eligibility may be covered if they are completed within a 60-day period measured from the date of termination. In those cases, Delta Dental evaluates those services in progress to determine what portion may be paid by Delta Dental.

Section IV. Benefits

Delta Dental agrees to provide Benefits to Members in accordance with the terms and conditions set forth in this Contract and the policies and procedures of Delta Dental. Notwithstanding the foregoing, Contractor acknowledges that Delta Dental periodically updates its Certificates to account for CDT code changes issued by the American Dental Association and processing policy changes made by Delta Dental, and Contractor agrees that any such changes shall apply to this Contract provided that Delta Dental provides Contractor prior notice of any such changes. Such changes shall become effective as of the date indicated in such notice.

Section V. Agreements

A. Delta Dental Agrees:

1. To provide all claims processing, service, and administration of Benefits to Members of the Contractor subject to the terms and conditions of this Contract.

2. To provide to the Contractor, for submission to the Enrollee, a Certificate of the Benefits provided pursuant to this Contract.
3. To endeavor to enlist Dentists to become Participating Dentists in sufficient number to ensure an adequate choice of Dentists, and to make periodic checks as to the adequacy of care provided by Dentists to Members covered by this Contract. Delta Dental is not required to provide a dental appointment to a Member.
4. To contractually require each Participating Dentist to schedule and render all dental treatment provided under this Contract according to the standards of the dental profession in the community in which the dental procedures are rendered.
5. Consistent with any applicable law protecting the confidentiality of a patient's health records, data, or information, to make standard reports available to the Contractor upon request for no additional charge and to provide agreed-to, non-standard reports on a time and materials basis.
6. To provide a copy of the Certificate, Summary(ies) of Dental Plan Benefits, Delta Dental's Notice of Privacy Practices, and the Indiana Life and Health Insurance Guaranty Association Notice to Contractor for distribution to Enrollees at the Contractor's expense.

B. Contractor Agrees:

1. Unless otherwise stated in the Declarations Section of this Contract, to pay Delta Dental the monthly Rate specified in the Declarations Section of this Contract as billed by Delta Dental, with no payment adjustments for updates not yet reflected on the monthly invoice.

To ensure timely coverage, unless otherwise stated in the Declarations Section of this Contract, the amount to be paid will be due by the 5th of the month of the intended coverage. For example, the premium for April coverage is due on April 5th. If payment is not received by the due date, Delta Dental shall, at its sole discretion, have the right to suspend claims processing, unless otherwise stated in the Declarations Section of this Contract. Coverage will terminate effective the first day of the coverage month if Delta Dental receives no payment by the end of the coverage month.

Delta Dental may, at its sole option, send notification to the Contractor of an adjustment in Rates, Benefits, or Copayments to correct potential adverse group experience resulting from the following:

- a. Information provided upon enrollment proves to be in error; or
- b. Terms and provisions of the Contract are materially violated; or
- c. Initial size or composition of the group changes by 10% or more unless otherwise set forth in the Declarations Section of this Contract; or
- d. Monthly invoices are not paid as billed.

Delta Dental will provide the Contractor written notice 30 days prior to implementing any adjustment. If the Contractor refuses to accept this adjustment, Delta Dental may, in its sole discretion, terminate this Contract.

2. To pay all premiums in accordance with subparagraph 1 above in full, irrespective of any Member contributions or COBRA payments. Delta Dental shall not be responsible for collecting Members' contributions or COBRA payments.
3. To enroll as Members with Delta Dental all eligible employees, retirees or members of the Contractor, including that employee's, retiree's or member's Dependents, who enroll for Benefits during the enrollment periods set forth in the Certificate. Contractor shall not enroll any employees, retirees or members of the Contractor, or any such person's Dependents, at any time other than during the enrollment periods set forth in the Certificate. Contractor shall provide to Delta Dental, in a format requested by Delta Dental, an initial enrollment file prior to the initial Effective Date of this Contract.
4. To provide Delta Dental with all eligibility data needed to process claims under this Contract. Eligibility data shall be provided in a timely manner, which in the case of electronic eligibility files shall in no event be less than monthly, and in the format requested by Delta Dental. Delta Dental will not accept additions, terminations, and/or retroactive eligibility updates more than six months after the date of a Member's change in eligibility. Notwithstanding the foregoing, if the Contractor requests that a Member's eligibility be terminated retroactively and a claim was incurred for that Member or any member of that Member's family after the requested termination date, eligibility for that Member and the Member's entire family will continue at the expense of the Contractor until the end of the month in which the claim was incurred. In no event will any Rate adjustments for time periods greater than six months be made for retroactive terminations, and no credits will be issued for any month in which claims were incurred.

5. To permit Delta Dental, by its auditors or other authorized representatives, on reasonable advance written notice, to inspect the Contractor's records to verify the accuracy of the eligibility data submitted to Delta Dental. In the event of a discrepancy, Contractor agrees to reconcile any errors in payment with Delta Dental.
6. To provide each Enrollee with copies of the Certificate, the applicable Summary of Dental Plan Benefits, the Indiana Life and Health Insurance Guaranty Association Notice, Section 1557 notices, and all privacy notices (including, but not limited to all notice of privacy practices) as may be required by any applicable federal or state law, at such intervals as may be required by law from time to time.
7. To pay for any agreed-to, non-standard reports on a time and materials basis.
8. To consult as necessary with its own legal counsel regarding the selected covered benefits and to be responsible for determining all potential tax consequences relating to the covered benefits it selects.

Section VI. General Provisions

- A. Independent Contractors. Dentists providing services are independent contractors, and neither the Contractor nor Delta Dental will be liable for any act or omission of any Dentist, his or her employees or agents, or any person providing dental or other professional services to Members.
- B. Binding Effect. All Members, by enrolling in This Plan, are bound by the terms and conditions of this Contract.
- C. Payment Limitations. Delta Dental will make no payment for services or supplies if a claim for such has not been received by Delta Dental within one year following the date the services or supplies were furnished.
- D. Marketing Materials. Except for those standard documents and materials Delta Dental generates to administer This Plan, neither Party shall publish or distribute any materials regarding This Plan without the prior written approval of the other Party.
- E. Legal Action. Unless otherwise prohibited by applicable state or federal law, no action or legal claim arising out of or related to this Contract shall be brought against Delta Dental unless Contractor, or the Member, has first provided Delta Dental with at least 60 days' advance written notice of such claim. Notwithstanding the foregoing, in any event, no action shall be brought by either Party or a Member more than three years after the legal claim first arose, or after expiration of the applicable statute of limitations, whichever is shorter.
- F. Dispute Resolution. Delta Dental will establish procedures for resolving all questions raised by a Dentist, a Contractor, or a Member in regard to claims for Benefits allowed or denied under the terms of this Contract. These procedures will be used both for the initial determination of those questions and for the resolution of appeals made on the basis of those initial determinations. To the extent the benefit plan sponsored by the Contractor is governed by the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), the procedures established for determining the Benefits to which a Member is entitled will comply with the requirements set forth in ERISA Section 503 as applicable to a limited scope dental benefit plan, and the regulations thereunder, for providing a "full and fair review" of all benefit claims. The ERISA-required claims procedures will be set forth in detail in the Certificate that is to be distributed to Enrollees and that describes the Benefits under this Contract. All determinations made according to this procedure will be final and binding on the Dentist, the Contractor, and the Member; provided, however, that the Member may exercise his or her legal rights after this determination as described in the Claims Appeal Procedure contained in the Certificate.
- G. Severability. If any provision of this Contract is in violation of the laws of the State in which this Contract was issued, that provision shall be deemed to be void, but the invalidation of that provision will not otherwise impair or affect the rest of the Contract. When any provision in this Contract is in conflict with such laws, the rights, duties and obligations of Delta Dental, the Contractor and all Members shall be governed by such laws.
- H. Compliance with Applicable Law. This Contract is subject to change if, in the future, federal and state laws and regulations require Delta Dental or the Contractor to comply with such laws and regulations. Should any such change to this Contract be necessary by law, the Contractor will receive written notice from Delta Dental informing the Contractor of the reasons for any change to the Contract and the process by which the Contractor will receive an amended Contract.
- I. Additional Services. Delta Dental may from time to time provide additional services or coverage by rider or other notice. Delta Dental may withdraw those services or coverage at any time after giving notice.
- J. Notices. Any notice required or permitted to be given by this Contract will be considered given if in writing and personally delivered, or if in writing and deposited in the United States mail with postage prepaid, addressed to the person at their last address of record.

- K. Amendment and Assignment. No agent has authority to change any part of this Contract. No changes to this Contract will be valid unless both Parties approve them in writing. Delta Dental shall have the discretion to assign its rights and responsibilities under this Contract to an affiliated entity. If Delta Dental chooses to assign its rights and responsibilities, it shall assign them to an appropriately licensed entity capable of performing similar functions at similar levels as Delta Dental. Delta Dental shall serve written notice of the assignment to Contractor and said notice shall provide the name and address of the assignee. Neither this Contract nor any part of it shall be assigned by Contractor without the prior written consent of Delta Dental, and any attempt at assignment by Contractor without such consent by Delta Dental shall be null and void. Subject to the foregoing limitation, this Contract shall be binding upon the parties and their respective successors and assigns.
- L. Subrogation. To the extent that This Plan provides or pays Benefits for Covered Services, Delta Dental is subrogated to any right the Member may have to recover from another, his or her insurer, or under his or her "Medical Payments" coverage or any "Uninsured Motorist," "Underinsured Motorist," or other similar coverage provisions.
- M. Right of Recovery Due to Fraud. If Delta Dental pays for services or supplies that were sought or received under fraudulent, false, or misleading pretenses or circumstances, pays a claim that contains false or misrepresented information, or pays a claim that is determined to be fraudulent due to the acts of the Contractor and/or Member, it may recover that payment from the person or entity that committed such fraud. Delta Dental may recover any payment determined to be based on false, fraudulent, misleading, or misrepresented information by deducting that amount from any payments properly due to the person(s) or entity(ies) that committed such fraud. Delta Dental will provide an explanation of the payment being recovered at the time the deduction is made.
- N. Force Majeure. Unless otherwise stated in the Declarations Section of this Contract, neither Delta Dental (including its agents, directors, officers, and employees) nor Contractor shall be liable for delays in performance due to circumstances beyond their reasonable control. Each Party shall be excused from performance under this Contract and shall have no liability to the other Party for any period during which it is prevented from performing any of its obligations (other than payment obligations), in whole or in part, as a result of delays caused by the other Party or by an act of God, war, terrorism, civil unrest, civil disturbance, court order, labor dispute, or other cause beyond its reasonable control, and such nonperformance shall not be a default under or grounds for termination of this Contract. Notwithstanding the foregoing, Force Majeure shall not excuse Contractor's payment obligations under this Contract.
- O. Assignment of Benefits. Unless otherwise stated in the Declarations Section of this Contract, Benefits to Members are for the personal benefit of those Members and cannot be transferred or assigned; provided, however, Delta Dental shall pay Participating Dentists directly on behalf of Members.
- P. Governing Laws. This Contract will be governed by and interpreted under the laws of the State of Indiana.
- Q. Legally Mandated Benefits. If any applicable law requires broader coverage or more favorable treatment for a Member than is provided by this Contract, that law shall control over the language of this Contract.
- R. Entire Contract. This Contract constitutes the entire agreement between the Parties.
- S. Effect of Errors on Coverage. Typographical or administrative errors shall not deprive a Member of Benefits. Neither shall such errors create any rights to additional benefits not in accordance with all of the terms, conditions, limitations, and exclusions of this Contract.
- T. Bankruptcy or Insolvency. Contractor shall notify Delta Dental immediately in the event of bankruptcy or other insolvency. Delta Dental reserves all rights and remedies with respect to the Contractor's bankruptcy or other insolvency, including but not limited to, the right to automatically terminate or modify performance under this Contract to the extent permitted by applicable law.
- U. Other Goods and Services. From time to time, Delta Dental may offer or provide Members certain goods and services, including discounts on dental services provided by Participating Dentists in addition to the dental coverage (including without limitation toothbrushes, dental floss and other oral hygienic devices/products). Delta Dental also may arrange for third party vendors to provide goods and services at a discount to Members. Though Delta Dental may make the arrangements, the third-party vendors are solely liable for providing the goods and services. Delta Dental shall not be responsible for providing or failing to provide the goods and services to Members. Further, Delta Dental shall not be liable to Members for negligent provision of the goods and services by third party vendors. Delta Dental reserves the right to terminate or change these goods or services at any time.
- V. Web Portal License.
1. Delta Dental grants to Contractor the License to access and use Delta Dental's web portals solely for the purpose of administering and/or viewing Member Benefits as set forth in this Contract, subject to any additional terms and conditions appearing on such web portals. Under this license grant, Contractor's Members are permitted to access and use Member Portal, and Contractor and its officers, directors, employees, contractors and agents are permitted to

2. Contractor is solely responsible for managing access to the web portals, for securing the usernames and passwords of its, officers, directors, employees, contractors, agents and Members ("End Users") who use or access such web portals, and for any violation of this Contract by any such End Users. Delta Dental shall not be liable for Contractor's or Contractor's End Users' failure to properly secure their usernames or passwords and, unless otherwise exempt by law, Contractor shall hold harmless Delta Dental, its affiliates, members, officers, employees and agents from and against any and all losses, claims, damages, liabilities, costs, and expenses (including reasonable attorneys' fees and expenses related to the defense of any claims) resulting from or arising out of (i) Contractor's or Contractor's End Users' failure to properly manage access or secure usernames and passwords; (ii) any breach of this Contract by Contractor or its End Users; or (iii) any negligent or willful misuse of Delta Dental's web portals by Contractor or its End Users.
3. Contractor agrees that, to the extent its End Users will be entering eligibility data into Benefit Manager Toolkit on Contractor's behalf, Contractor shall be solely responsible for the accuracy and completeness of the eligibility data entered. Unless otherwise exempt by law, Contractor shall hold harmless Delta Dental, its affiliates, members, officers, employees and agents from and against any and all losses, claims, damages, liabilities, costs, and expenses (including reasonable attorneys' fees and expenses related to the defense of any claims) resulting from or arising out of any eligibility data entered by Contractor's End Users.
4. Contractor acknowledges that Delta Dental's web portals permit individuals to view and access Protected Health Information ("PHI"), as that term is defined by the Health Insurance Portability and Accountability Act ("HIPAA"). Contractor therefore certifies that, when using the web portals, it and its End Users will abide by the provisions of HIPAA and all other applicable laws. As such, Contractor agrees that it and its End Users shall access and use Delta Dental's web portals for the sole purpose of viewing their own Benefits and/or performing plan administration functions on behalf of Contractor.

Contractor recognizes and agrees that Delta Dental retains sole title, right and interest in the intellectual property rights of its web portals including, but not limited to, any applicable patents, trademarks and/or copyrights. Contractor understands that the license granted herein transfers neither title nor proprietary rights to Contractor with respect to any web portals. As such, neither Contractor nor any of its End Users shall attempt to reproduce, modify, reverse assemble, reverse compile or reverse engineer the source code of Delta Dental's web portals.
6. Delta Dental reserves the right to terminate this license grant at any time with or without cause. This license grant shall terminate immediately upon termination of the Contract.

Section VII. Coordination of Benefits

All Benefits under this Contract shall be subject to the coordination of benefits provision set forth in the Certificate.

This Contract shall remain in full force and effect for the initial term commencing on the Effective Date and continuing until the First Renewal Date, as specified in the Declarations Section. Thereafter, the Contract may be renewed for subsequent terms as specified in the Declarations Section or in a renewal letter, unless Contractor or Delta Dental provides written notice of its intent not to renew at least 30 days prior to the expiration of the then current term. Delta Dental shall have the option of terminating this Contract if:

- A. The Contractor fails to make a required payment before expiration of the Grace Period specified; or
- B. Delta Dental cancels pursuant to Section V.B.1 of this Contract; or
- C. The size of the group changes by 10% or more, or the composition of the group materially changes from the time of initial application, and Delta Dental elects not to exercise its rating rights as set forth in Section V.B.1; or
- D. The Contractor permits Enrollees and/or Dependents to enroll in This Plan outside of the Open Enrollment Period and/or the Special Enrollment Periods set forth in the Certificate; or
- E. The Contractor has otherwise materially breached this Contract.

Unless otherwise stated in the Declarations Section of this Contract, the Contractor may terminate this Contract without cause by providing Delta Dental with 30 days' prior written notice.

Upon termination of this Contract, the Contractor is liable to Delta Dental for any Rate that was then due and unpaid. In the event this Contract terminates mid-month, Contractor shall be liable to Delta Dental for all premiums due and owing through the end of the month in which termination occurs.

Section IX. Confidentiality and Disclosure

- A. The Parties acknowledge that in the course of performing under this Contract each Party may be provided with or given access to information, in oral, recorded or written form, that is proprietary and confidential to the other Party (collectively referred to as the “Confidential Information”). Such Confidential Information includes, but is not limited to: information regarding the other Party’s management, business, organizational structure, policies, procedures, business relationships, intellectual property, copyrights, patents, trademarks, software, data, databases, system designs, specifications, documentation, code, architecture, structure, algorithms, techniques, processes, protocols, product materials, notes, slides, ideas, Maximum Approved Fees, Allowed Amounts, preferred provider reports, actuarial formulas, providers’ personal information, and financial terms of this Contract.

 2. Is generally available to the public or becomes publicly known through no wrongful act of a Party; or
 3. Is received by a Party from a third party who had a legal right to provide it (as evidenced by written documentation existing at that time).
- C. The Parties each will make all reasonable, necessary and appropriate efforts to safeguard each other’s Confidential Information. Each Party will safeguard the other’s Confidential Information to the same extent that it safeguards information relating to its own business, which in no event will be less than the safeguards that a reasonably prudent business would exercise under similar circumstances.
- D. Each Party agrees not to use, distribute or exploit each other’s Confidential Information, in whole or in part, for its own benefit or that of any third party and will not disclose such Confidential Information to any other person or entity without each other’s prior written consent. Notwithstanding anything to the contrary in this Section, the Parties shall be permitted to disclose Confidential Information as required by order of a court of law, administrative agency, or other governmental body; provided, however, the Party shall provide reasonable advance written notice to the other Party to the extent allowed by law in order to allow that Party the opportunity to seek a protective order or otherwise limit such disclosure, and the disclosing Party shall reasonably cooperate with the other Party to limit any such disclosure or to seek a protective order. If a Party is nonetheless required to disclose the other Party’s Confidential Information, said Party shall only disclose the minimum information necessary to respond to the legal request. Notwithstanding the foregoing, Delta Dental shall not be required to provide Contractor notice prior to responding to governmental agency subpoenas regarding potential provider fraud or abuse.

A Pre-Treatment Estimate is for informational purposes only and is not required before you receive any dental care. It is not a prerequisite or condition for approval of future dental benefits payment. You will receive the same Benefits under This Plan whether or not a Pre-Treatment Estimate is requested. The benefits estimate provided on a Pre-Treatment Estimate notice is based on benefits available on the date the notice is issued. It is not a guarantee of future dental benefits or payment.

Availability of dental benefits at the time your treatment is completed depends on several factors. These factors include, but are not limited to, your continued eligibility for benefits, your available annual or lifetime Maximum Payments, any coordination of benefits, the status of your Dentist, This

Plan's limitations and any other provisions, together with any additional information or changes to your dental treatment. A request for a Pre-Treatment Estimate is not a Claim or a preauthorization, precertification or other reservation of future Benefits.

III. Enrolling in This Plan

The Open Enrollment Period, if applicable, will be established by the Contractor and will occur on an annual basis. During the Open Enrollment Period, all eligible persons as defined in your Summary of Dental Plan Benefits may enroll in This Plan. You and/or your Dependents may not enroll in This Plan at any other time during the applicable Benefit Year except in the following instances:

2. New Spouse: Your new Spouse will be eligible to enroll on the date of marriage.
3. Newborn: Your newborn will be eligible to enroll on the date of birth.
4. Legal adoptions or guardianships: Your newly adopted Child(ren) and/or the minor Child(ren) that you and/or your Spouse have guardianship over will be eligible to enroll on the earlier of (a) the date that the legal petition for adoption or guardianship becomes legally final, or (b) the date on which the Child(ren) begins residing with the

Enrollee and the Enrollee assumes responsibility for the Child(ren) while waiting for adoption or guardianship to become final.

5. New Stepchild: Your new stepchild will be eligible to enroll on the date that the Child's natural parent becomes a Dependent.
6. To the extent Contractor permits Dependents other than those defined in this Certificate to enroll in This Plan, such Dependents will be eligible to enroll on the date that they become an eligible Dependent. Any such additional Dependents permitted by Contractor shall be set forth in your Summary of Dental Plan Benefits.

IV. Selecting a Dentist

You may choose any Dentist. Your out-of-pocket costs are likely to be less if you go to a Delta Dental Participating Dentist.

To verify that a Dentist is a Participating Dentist, you can use Delta Dental's online Dentist Directory at www.DeltaDentalIN.com or call 800-524-0149.

V. Accessing Your Benefits

To utilize your dental benefits, follow these steps:

1. Please read this Certificate and the Summary of Dental Plan Benefits carefully so you are familiar with your benefits, payment methods, and terms of This Plan.
2. Make an appointment with your Dentist and tell him or her that you have dental benefits with Delta Dental. If your Dentist is not familiar with This Plan or has any questions, have him or her contact Delta Dental by writing to Delta Dental, Attention: Customer Service, P.O. Box 9089, Farmington Hills, Michigan 48333-9089, or calling the toll-free number at 800-524-0149.

Mail Claims and completed information requests to:

Delta Dental
P.O. Box 9085
Farmington Hills, Michigan 48333-9085

Pre-Treatment Estimate

A Pre-Treatment Estimate is not required to receive payment, but it allows Claims to be processed more efficiently and allows you to know what services may be covered before your Dentist provides them. You and your Dentist should review your Pre-Treatment Estimate Notice before treatment. Once treatment is complete, the dental office will submit a Claim to Delta Dental for payment.

Written Notice of Claim and Time of Payment

Because the amount of your Benefits is not conditioned on a Pre-Treatment Estimate decision by Delta Dental, all Claims under This Plan are post-service Claims. All Claims for Benefits must be filed with Delta Dental within one year of the date the services were completed. Once a Claim is filed, Delta Dental will adjudicate it within 30 days of receiving it. If there is not enough information to adjudicate your Claim, Delta Dental will notify you or your Dentist within 30 days. The notice will (a) describe the information needed, (b) explain why it is needed, (c) request an extension of time in which to decide the Claim, and (d) inform you or your Dentist that the information must be received within 45 days or your Claim will be Denied if the services were performed by a Nonparticipating Dentist, or not chargeable to the Member if the services were performed by a Participating Dentist. You will receive a copy of any notice sent to your Dentist. Once Delta Dental receives the requested information, it has 15 days to adjudicate your Claim. If you or your Dentist does not supply the requested information, Delta Dental will deny your Claim. In such case, you will be responsible for all charges if the services were performed by a Nonparticipating Dentist. If the services were performed by a Participating Dentist, the services will not be chargeable to the Member. Once Delta Dental adjudicates your Claim, it will notify you within five days.

Authorized Representative

You may also appoint an authorized representative to deal with Delta Dental on your behalf with respect to any Claim you file or any review of a Denied Claim you wish to pursue (see the Claims Appeal Procedure section). You should contact your Contractor, call Delta Dental's Customer Service department, toll-free, at 800-524-0149, or write them at P.O. Box 9089, Farmington Hills, Michigan, 48333-9089, to request a form to designate the person you wish to appoint as your representative. Delta Dental will only recognize the person whom you have authorized on the last dated form filed with Delta Dental. Once you have appointed an authorized representative, Delta Dental will communicate directly with your representative and will not inform you of the status of your Claim. You will have to get that information from your representative. If you have not designated a

representative, Delta Dental will communicate directly with you.

IX. Coordination of Benefits

Coordination of Benefits (“COB”) applies to This Plan when a Member has dental benefits under more than one plan. The objective of COB is to make sure the combined payments of the plans are no more than your actual dental bills. COB rules establish whether This Plan’s Benefits are determined before or after another plan’s benefits.

You must submit your bills to the primary plan first. The primary plan must pay its full benefits as if you had no other coverage. If the primary plan denies your Claim or does not pay the full bill, you may then submit the remainder of the bill to the secondary plan.

Which Plan is Primary?

To decide which plan is primary, Delta Dental will consider both the COB provisions of the other plan and the relationship of the Member to This Plan’s Enrollee, as well as other factors. The primary plan is determined by the first of the following rules that applies:

1. Non-coordinating Plan

If you have another plan that does not coordinate benefits, it will always be primary.

2. Enrollee v. Dependent Coverage

The plan that covers the Member as an Enrollee will be primary over a plan that covers the Member as a dependent. However, please note that if the Member is a Medicare beneficiary, federal law may reverse this order.

3. Children (Parents Divorced or Separated)

If a court decree makes one parent responsible for health care expenses, that parent’s plan is primary.

If a court decree states that the parents have joint custody without stating that one of the parents is responsible for the Child’s health care expenses, Delta Dental follows the birthday rule (see rule 4 below).

If neither of these rules applies, the order will be determined as follows:

- a. First, the plan of the parent with custody of the Child will be primary;
- b. Then, the plan of the spouse of the parent with custody of the Child will be primary;
- c. Next, the plan of the parent without custody of the Child will be primary; and
- d. Last, the plan of the spouse of the parent without custody of the Child will be primary.

4. Children and the Birthday Rule

The plan of the parent whose birthday is earliest in the calendar year is always primary for Children. For example, if your birthday is in January and your spouse’s birthday is in March, your plan will be primary for all of your Children. If both parents have the same birthday, the plan that has covered the parent for the longer period will be primary.

5. Laid Off or Retired Employees

The plan that covers the Member as a laid off or retired employee or as a dependent of a laid off or retired employee will be primary.

6. COBRA Coverage

The plan that is provided under a right of continuation pursuant to federal law or a similar state law (that is, COBRA) will be primary.

7. Other Plans

If none of the rules above determines the order of benefits, the plan that has covered the Member for the longer period will be primary.

If the other plan does not have rule 5 and/or rule 6 (above) and decides the order of benefits differently from This Plan, This Plan may ignore either of those rules.

In the event that these rules do not determine how Delta Dental should coordinate benefits with another plan, Delta Dental will follow its internal policies and procedures for determining which plan is primary, unless prohibited by applicable law.

How Delta Dental Pays as Primary Plan

When Delta Dental is the primary plan, it will pay for Covered Services as if you had no other coverage.

How Delta Dental Pays as Secondary Plan

When Delta Dental is the secondary plan, it will pay for Covered Services based on the amount left after the primary plan has paid. It will not pay more than that amount, and it will not pay more than it would have paid as the primary plan.

When Benefits are reduced as described above, each Benefit is reduced in proportion. Benefits are then charged against any applicable benefit limit of This Plan.

Right to Receive and Release Needed Information

Delta Dental needs certain facts to apply these COB rules, and it has the right to decide which facts it needs. It may get needed facts from or give them to any other organization or person regarding the Claim being coordinated. Delta Dental need not tell or get the consent of any person to do this. Each person claiming Benefits under This Plan must give Delta Dental any facts it needs to pay the Claim.

Facility of Payment

A payment made under another plan may include an amount that should have been paid under This Plan. If it does, Delta Dental may pay that amount to the organization that made the payment.

That amount will then be treated as though it were a Benefit paid under This Plan, and Delta Dental will not have to pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means reasonable cash value of the benefits provided in the form of services.

Right of Recovery

If the amount of the payments made by Delta Dental is more than it should have paid under this COB provision, Delta Dental may recover the excess from one or more of the persons it has paid or for whom it has paid, or any other person or organization that may be responsible for the benefits or services provided for the Member.

Payment includes the reasonable cash value of any benefits provided in the form of services.

X. Reconsideration and Claims Appeal Procedure

Reconsideration

If you receive notice of an Adverse Benefit Determination and you think that Delta Dental incorrectly denied all or part of your Claim, you or your Dentist may contact Delta Dental's Customer Service department and ask them to reconsider the Claim to make sure it was processed correctly. You may do this by calling the toll-free number, 800-524-0149, and speaking to a telephone advisor. You may also mail your inquiry to the Customer Service Department at P.O. Box 9089, Farmington Hills, Michigan, 48333-9089.

When writing, please enclose a copy of your explanation of benefits and describe the problem. Be sure to include your name, telephone number, the date, and any information you would like considered about your Claim.

A request for reconsideration is not required and should not be considered a formal request for review of a denied Claim. Delta Dental provides this opportunity for you to describe problems or submit an explanation or additional information that might indicate your Claim was improperly denied, and allow Delta Dental to correct any errors quickly and immediately.

Whether or not you have asked Delta Dental informally to reconsider its initial determination, you can request a formal review using the Formal Claims Appeal Procedure described below.

Formal Claims Appeal Procedure

If you receive notice of an Adverse Benefit Determination, you, or your Authorized Representative, should seek a review as soon as possible, but you must file your request for review within 180 days of the date that you received that Adverse Benefit Determination.

To request a formal review of your Claim, send your request in writing to:

**Dental Director
Delta Dental
P.O. Box 30416
Lansing, Michigan 48909-7916**

Please include your name and address, the Enrollee's Member ID, the reason why you believe your Claim was wrongly denied, and any other information you believe supports your Claim. You also have the right to review the contract between Delta Dental and the Contractor and any documents related to it. If you would like a record of your request and proof that Delta Dental

received it, mail your request certified mail, return receipt requested.

The Dental Director or any person reviewing your Claim will not be the same as, nor subordinate to, the person(s) who initially decided your Claim. The reviewer will grant no deference to the prior decision about your Claim. The reviewer will assess the information, including any additional information that you have provided, as if he or she were deciding the Claim for the first time. The reviewer's decision will take into account all comments, documents, records and other information relating to your Claim even if the information was not available when your Claim was initially decided.

If the decision is based, in whole or in part, on a dental or medical judgment (including determinations with respect to whether a particular treatment, drug, or other item is experimental, investigational, or not medically necessary or appropriate), the reviewer will consult a dental health care professional with appropriate training and experience, if necessary. The dental health care professional will not be the same individual or that person's subordinate consulted during the initial determination.

The reviewer will make a determination within 60 days of receipt of your request. If your Claim is denied on review (in whole or in part), you will be notified in writing. The notice of an Adverse Benefit Determination during the Formal Claims Appeal Procedure will meet the requirements described below.

Manner and Content of Notice

Your notice of an Adverse Benefit Determination will inform you of the specific reasons(s) for the denial, the pertinent plan provisions(s) on which the denial is based, the applicable review procedures for dental Claims, including time limits and that, upon request, you are entitled to access all documents, records and other information relevant to your Claim free of charge. This notice will also contain a description of any additional materials necessary to complete your Claim, an explanation of why such materials are necessary, and a statement that you have a right to bring a civil action in court if you receive an Adverse Benefit Determination after your Claim has been completely reviewed according to this Formal Claims Appeal Procedure. The notice will also reference any internal rule, guideline, protocol, or similar document or criteria relied on in making the Adverse Benefit Determination, and will include a statement that a copy of such rule, guideline or protocol may be obtained upon request at no charge. If the Adverse Benefit Determination is based on a matter of medical judgment or medical necessity, the notice will also contain an explanation of the scientific or clinical judgment on which the determination was based, or a statement that a copy of the basis for the scientific or clinical judgment can be obtained upon request at no charge.

XI. Termination of Coverage

Your Delta Dental coverage may automatically terminate:

- ◆ When Contractor advises Delta Dental to terminate your coverage.
- ◆ On the first day of the month for which Contractor has failed to pay Delta Dental.
- ◆ For fraud or misrepresentation in the submission of any Claim.
- ◆ For your Dependent, when they no longer qualify as a Dependent.
- ◆ For any other reason stated in the Contract between Delta Dental and the Contractor.

Delta Dental will not continue eligibility for any person covered under This Plan beyond the termination date requested by the Contractor. A person whose eligibility is terminated may not continue group coverage under this Certificate, except as required by the continuation coverage provisions of the Consolidated Omnibus Budget Reconciliation Act of 1985 or comparable, non-preempted state law ("COBRA").

XII. Continuation of Coverage

If the Contractor is required to comply with COBRA and the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and your dental coverage would otherwise end, you and your Dependents may have the right to continue that coverage at your expense.

When is Plan Continuation Coverage Available?

Continuation coverage is available if your coverage or a covered Dependent's coverage would end because:

1. Your employment, if applicable, ends for any reason other than your gross misconduct.
2. You do not qualify as an Enrollee as set forth in your Summary of Dental Plan Benefits.
3. You are divorced or legally separated.
4. You die.
5. Your Dependent is no longer a Dependent.
6. You become enrolled in Medicare (if applicable).
7. You are called to active duty in the armed forces of the United States.

If you believe you are entitled to continuation coverage, you should contact the Contractor to receive the appropriate documentation required under the Employee Retirement Income Security Act of 1974 ("ERISA").

XIII. General Conditions

Assignment

Services and Benefits are for the personal benefit of Members and cannot be transferred or assigned, other than to pay Participating Dentists directly.

Subrogation and Right of Reimbursement

To the extent that This Plan provides or pays Benefits for Covered Services, Delta Dental is subrogated to any right you

and/or your Dependent has to recover from another, party or entity, including but not limited to, that party's insurer, or any other insurer that you or your Dependent may have, which would have been the primary payer if not for the payments made by Delta Dental. This includes but is not limited to, automobile, home, and other liability insurers, as well as any other group health plans.

To the extent that Delta Dental has a subrogation right, you and/or your Dependent must:

1. Provide Delta Dental with any information necessary to identify any other person, entity or plan that may be obligated to provide payments or benefits for the Covered Services that were paid for by Delta Dental,
2. Cooperate fully in Delta Dental's exercise of its right to subrogation and reimbursement,
3. Not do anything to prejudice those rights (such as settling a claim against another party without notifying Delta Dental, or not including Delta Dental as a co-payee of any settlement amount),
4. Sign any document that Delta Dental determines is relevant to protect Delta Dental's subrogation and reimbursement rights, and
5. Provide relevant information when requested.

The term "information" includes any documents, insurance policies, and police or other investigative reports, as well as any other facts that may reasonably be requested to help Delta Dental enforce its rights. Failure by you or your Dependent to cooperate with Delta Dental may result, at the discretion of Delta Dental, in a reduction of future benefit payments available to you or your Dependent under This Plan of an amount up to the aggregate amount paid by Delta Dental that was subject to Delta Dental's equitable lien, but for which Delta Dental was not reimbursed.

Obtaining and Releasing Information

While you and/or your Dependent(s) are enrolled in This Plan, you and/or your Dependent(s) agree to provide Delta Dental with any information it needs to process Claims and administer Benefits for you and/or your Dependent(s). This includes allowing Delta Dental access to your dental records.

Dentist-Patient Relationship

Members are free to choose any Dentist. Each Dentist is solely responsible for the treatment and/or dental advice provided to the Member, and Delta Dental does not have any liability resulting therefrom.

Loss of Eligibility During Treatment

If a Member loses eligibility while receiving dental treatment, only Covered Services received while that person was covered under This Plan will be payable.

Certain services begun before the loss of eligibility may be covered if they are completed within 60 days from the date of termination. In those cases, Delta Dental evaluates those services in progress to determine what portion may be paid by Delta Dental. The difference between Delta Dental's

payment and the total fee for those services is your responsibility. This provision does not apply to orthodontics if covered under This Plan.

Late Claims Submission

Delta Dental will make no payment for services or supplies if a Claim for such has not been received by Delta Dental within one year following the date the services or supplies were completed. In the event that a Participating Provider submits a Claim more than one year from the date of service, Delta Dental will deny that portion of the Claim that Delta Dental would have paid if the Claim had been timely submitted, and such denied portion of the Claim will not be chargeable to the Member. However, you will remain responsible for any applicable Deductible and/or Co-payment. In the event that a Nonparticipating Provider submits a Claim more than one year from the date of service, Delta Dental will Deny the Claim and you may be responsible for the full amount.

Change of Certificate or Contract

No changes to this Certificate, your Summary of Dental Plan Benefits, or the underlying contract are valid unless Delta Dental approves them in writing.

Actions

You cannot bring an action on a legal claim arising out of or related to this Certificate unless you have provided at least 60 days' written notice to Delta Dental, unless prohibited by applicable state law. In addition, you cannot bring an action more than three years after the legal claim first arose or after expiration of the applicable statute of limitations, whichever is shorter. Any person seeking to do so will be deemed to have waived his or her right to bring suit on such legal claim. Except as set forth above, this provision does not preclude you from seeking a judicial decision or pursuing other available legal remedies.

Change of Status

You must notify Delta Dental through the Contractor, of any event that changes the status of a Dependent. Events that can affect the status of a Dependent include, but are not limited to, marriage, birth, death, divorce, and entrance into military service.

Governing Law

This Certificate and the underlying group Contract will be governed by and interpreted under the laws of the state of Indiana.

Right of Recovery Due to Fraud

If Delta Dental pays for services that were sought or received under fraudulent, false, or misleading pretenses or circumstances, pays a Claim that contains false or misrepresented information, or pays a Claim that is determined to be fraudulent due to your acts or acts of your Dependents, it may recover that payment from you or your Dependents. Delta Dental may recover any payment determined to be based on false, fraudulent, misleading, or misrepresented information by deducting that amount from

any payments properly due to you or your Dependents. Delta Dental will provide an explanation of the payment recovery at the time the deduction is made.

Legally Mandated Benefits

If any applicable law requires broader coverage or more favorable treatment for you or your Dependents than is provided by this Certificate, that law shall have control over the language of this Certificate.

Any person intending to deceive an insurer, who knowingly submits an application or files a Claim containing a false or misleading statement, is guilty of insurance fraud.

Insurance fraud significantly increases the cost of health care. If you are aware of any false information submitted to Delta Dental, please call our toll-free hotline. We only accept anti-fraud calls at this number.

INDIANA GUARANTY NOTICE

NOTICE OF PROTECTION PROVIDED BY THE INDIANA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION

This notice provides a brief summary of the Indiana Life and Health Insurance Guaranty Association ("ILHIGA") and the protection it provides for policyholders. This safety net was created under Indiana law, which determines who and what is covered and the amounts of coverage.

ILHIGA was established to provide protection to policyholders in the unlikely event that your life, annuity or health insurance company becomes financially unable to meet its obligations and is taken over by its insurance department. If this should happen, ILHIGA will typically arrange to continue coverage and pay claims, in accordance with Indiana law, with funding from assessments paid by other insurance companies. (For the purposes of this Notice, the terms "insurance company" and "insurer" mean and include health maintenance organizations ("HMOs")).

Basic Protections Currently Provided by ILHIGA

Generally, an individual is covered by ILHIGA if the insurer was a member of ILHIGA and the individual lives in Indiana at the time the insurer is ordered into liquidation with a finding of insolvency. The coverage limits below apply only for companies placed in rehabilitation or liquidation on or after July 1, 2018. The benefits that ILHIGA is obligated to cover are not to exceed the lesser of (a) the contractual obligations for which the member insurer is liable or would have been liable if the member insurer were not an insolvent insurer, or (b) the limits indicated below:

Life Insurance

- \$300,000 in death benefits
- \$100,000 in net cash surrender or net cash withdrawal values

Health Insurance

- \$500,000 for health plan benefits (see definition below)
- \$300,000 in disability income and long-term care insurance benefits
- \$100,000 in other types of health insurance benefits

Annuities

- \$250,000 in present value of annuity benefits (including net cash surrender and net cash withdrawal values)

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$300,000. Special rules may apply with regard to health benefit plans and covered unallocated annuities.

"Health benefit plan" is defined in IC 27-8-8-2(o), and generally includes hospital or medical expense policies, certificates, HMO subscriber contracts or certificates or other similar health contracts that provide comprehensive forms of coverage for hospitalization or medical services, but excludes policies that provide coverages for limited benefits (such as accident-only, credit, dental only or vision-only insurance), Medicare Supplement insurance, disability income insurance and long-term care insurance.

The protections listed above apply only to the extent that benefits are payable under covered policy(s). In no event will the ILHIGA provide benefits greater than the contractual obligations in the life, annuity, or health insurance policy or contract. The statutory limits on ILHIGA coverage have changed over the years and coverage in prior years may not be the same as that set forth in this notice.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or variable annuity contract.

Benefits provided by a longer-term care (LTC) rider to a life insurance policy or annuity contract shall be considered the same type of benefits as the base life insurance policy or annuity to which it relates.

To learn more about the protections provided by ILHIGA, please visit the ILHIGA website at www.inlifega.org or contact:

When selecting an insurance company, you should not rely on ILHIGA coverage. If there is any inconsistency between this Notice and Indiana law, Indiana law will control.
