

## Standard Erosion Control Plan For 1 & 2 Family Dwelling Construction Sites

According to the City of Greensburg's Erosion and Sediment Control Ordinance, an Erosion and Sediment Control Plan needs to be submitted and approved by the MS4 Coordinator prior to the issuance of a building permit. This Standard Erosion Control Plan is provided to assist in meeting this requirement.

**Instructions:**

1. Complete this plan by filling in the required information, and completing the site diagram.
2. In completing the site diagram, give consideration to potential erosion that may occur before, during and after grading.

### Site Diagram
