

Greensburg Public Safety

Since 2021, our Police, Fire, and City teams have been hosting neighborhood cookouts to build stronger bonds with the community we serve. Often, the only time you see a first responder is during an emergency—we'd much rather meet you over a burger!

Join us in 2026 for free food, family-friendly activities, and a chance to meet your local public safety teams. Keep an eye out for a cookout in a neighborhood near you!
