

Dear Travel Colleague,

*Håfa Adai! (Greetings from Guam)*

Guam Visitors Bureau would like to welcome attendees to the Guam Visitors Bureau booth.

Please use this trade kit as a resource for trip planning and learning about everything Guam has to offer, from our pristine marine environment to our unique Chamorro culture. Included in this kit are photos for your promotional use as well as materials explaining all the activities visitors can enjoy, whether traveling for business or pleasure. We even have sample itineraries for you. Guam really has it all - from luxury brand shopping to secluded white sand beaches.

Thank you again for visiting with our Guam representatives at this travel event. We warmly welcome international visitors and hope to see you on our beautiful island soon.

*Senseramente',*
