

CASINO REOPENING MANDATES

In compliance with the Mississippi Gaming Control Act, the Mississippi Gaming Commission Regulations, and the casino's own internal controls and procedures, reopening requirements and limitations have been developed for reopening. These guidelines have been authorized and approved by the State Health Officer of Mississippi.

General Guidelines

The number of guests on the property shall be limited to no greater than 50% the property's maximum occupancy.

Limit points of entry to allow for each guest to be screened prior to entry. Such screening shall include the following questions, and any guest answering any question in the affirmative shall not be permitted to enter the property:

- Have you been in close contact with a confirmed case of COVID-19 in the past 14 days?
- Are you experiencing a cough, shortness of breath, or sore throat?
- Have you had a fever in the last 48 hours?
- Have you had new loss of taste or smell?
- Have you had vomiting or diarrhea in the last 24 hours?

During the initial screening, guests will be asked to use hand sanitizer and encouraged to wear a mask (which will be provided by the property) while on property.

Signage will be placed at entrances depicting a checklist of COVID-19 symptoms and asking staff members and guests NOT enter the property if their answer is "YES" to any question on the checklist.

Waiting areas/lines will be marked to observe social distancing standards and to require guests to stand 6' apart. Staff will be stationed to enforce the social distancing standards.

Hand sanitizer stations will be located at all entry or exit points and throughout the casino floor.

Any guest queuing, where lines normally form, markers and indicators will be placed on the floor and signage put in place to require guests to continue standing 6' apart from any other guest. Staff members will be stationed to enforce the social distancing standards.

Reminder signage will be placed throughout the back of the house encouraging staff members to follow CDC guidelines (wash hands, use sanitizer, stay at home if sick, etc.).

Staff members will be regularly deployed to guest and staff member touch-points for cleaning and disinfecting. High frequency touch-points will be sanitized at least once every two hours.

Staff members will be trained on proper cleaning and disinfecting protocol according to the recommended guidance.

As designated by property, close parts of the casino section by section overnight for deep cleaning and disinfecting daily.

Valet will be discontinued unless otherwise specified in property specific plan.

Player's Club may remain open as designated by each property, while practicing proper social distancing. Player's Club to be deep cleaned daily.

No entertainment or special event gatherings.

No promotions/table game tournaments will be permitted that require customers to cluster and cannot be conducted in accordance with appropriate social distancing and then-current government orders and guidelines.

VIP lounges will remain closed.

Gyms will be permitted to open subject to the limitations in Paragraph [(b) and its subparts of Executive Order 1480.

Spas will be permitted to open subject to the limitations in Paragraph I(a) and its subparts of Executive Order 1480.

All properties shall adhere to the recommended Centers for Disease Control (CDC) guidelines for a business in its category. If a staff member is alerted to a presumptive case of COVID-19 on the property, the staff member shall promptly report it to his/her supervisor and the presumptive case shall be reported to the Mississippi Department of Health. The property shall work with the Mississippi Department of Health to follow the appropriate actions recommended by it.

Guests not adhering to physical distancing and any other requirements will be advised of the requirements and warned that if they continue to disregard the requirements they will be asked to leave the property.

All Areas in MS Casinos

Cleaning and sanitizing protocols will be adopted and followed for cleaning all areas of casino and hotel. Such protocols will require, at a minimum, that all high frequency touch-points and guest facing counters will be sanitized at least once every two hours.

Physical distancing protocols will be followed for all areas of the casino and hotel.

Casino staff members

The casino shall conduct a daily screening of all staff members at the beginning of their shift.

Such daily screening shall include the following questions, and any employee answering any question in the affirmative shall be sent home:
