

## **PRESS RELEASE**

**May 12, 2020**

**For Immediate Release**

### **OCEAN ADVENTURES MARINE PARK / IMMS NOW OPEN**

Pursuant to Governor Tate Reeves directive Ocean Adventures Marine Park is now open to the public with limited capacity for general admission. The Park is operating at twenty-five percent (25%) occupancy according to guidelines during the pandemic. We offer a suggested schedule for guest to be allowed to view all shows during three (3) park entry times.

Ocean Adventures Marine Park is continuously cleaned and sanitized. We suggest that guest book their tickets online to be assured of availability for their preferred time slot. We strongly suggest that all guest wear a face mask. If you do not have a mask, we do sell them in the Gift Shop. Ocean Adventures has lots of room for social distancing. At this time, we are not serving food or drinks and are frequently cleaning and sanitizing all areas of the Park.

Bring the family to Ocean Adventures for a fun time while learning about conservation and marine mammals in the wild and under human care. You can also book one of our many personal adventures including Dolphin Interaction, Stingray Swim and Job Shadow program online.

We still have openings available for our Summer Camp 2020 with the following dates: June 8-12, June 15-19, June 22-26, July 6-10, July 13-17.

All proceeds go towards rescue and rehabilitation of marine mammals. We miss you! Come visit us today!
