Companies outside of Gulf County that offer accommodation services are not eligible, however, entities that provide travel-related services in neighboring communities may be. In this instance, businesses located in the taxing district of Gulf County will have priority based on availability. Fully-digital services are not eligible for this program, with the exception of accommodations services which have a dedicated website with a direct link to listings in Gulf County.

Partners receiving leads from the GCTDC must agree in writing to not distribute leads to other partners or entities.

Gulf County TDC Partners are required to abide by the Gulf County Brand & Standard Operating Procedures. The Gulf County TDC reserves the right to accept, refuse, or revoke Partner Membership without cause.
