## DAY 1

Upon your arrival make the stop at [Duren's Piggly Wiggly](#) to stock up on your beach snacks. The deli has quick and easy items for the beach like chicken and ready-made sandwiches. Check-in at your Cape San Blas beach house. Call [Going Coastal Cabana](#) and rent a couple of beach chairs and cabanas for tomorrow's beach day. They will deliver and set-up for you. Get your seafood fix for dinner at [Uptown Raw Bar](#) in Port St Joe. Not into seafood? Don't worry, they have a menu full of non-seafood items. After you enjoy your dinner visit [Scallop RePUBLIC](#) for live music. From songwriters duos to full bands, it will not disappoint. Plus you can watch the sunset over St. Joseph Bay.

## DAY 2

Get up early and get in line at [Weber's Donuts](#) to wake up your taste buds. After having breakfast take it slow by shelling. We have stellar shelling so take a walk and relax. Enjoy the rest of the day on our sugary white beaches with your girls. You'll be right in front of your beach house, so lunch can be sandwiches on the deck. You'll want to save your appetite for dinner. Call Chef Ian at [Your Table! Your Chef!](#) and let him cook a gourmet meal for you. You can sit back relax and just enjoy the conversation while he does all the work.

## DAY 3

Retail Therapy time! Hit Port St. Joe and take a stroll down [Reid Avenue](#) for a little shopping. [Joseph's Cottage](#) is a beautifully decorated coastal themed store that will let you take a little bit of the beach home with you. Grab lunch at [Provisions!](#) If you have time, walk across HWY 98 to [Cape San Blas Lighthouse](#) and enjoy a climb to take in the views of St. Joseph Bay and Port St Joe. Next, hit the water for a first-row seat to a Gulf County sunset via boat. [Bali Hai Charters](#) will take you on a pontoon boat where you can load the cooler with snacks and drinks and just relax.
