Gulf County, Florida

DAY 1

Make sure you arrive before check-in time to stop by the **Gulf County Welcome Center** to pick up a Visitor Guide from the outdoor stand and discover all the available adventures. Make sure to pick up a **Turtle Trail Map**. This will be a great activity for all ages. Start with the first turtle, which is located at the Welcome Center.

Snap a selfie or family photo so that you can claim a Gulf County stainless steel reusable straw once you complete the trail. Next, head to your **Vacation Rental**. There are several types to choose from, like large vacation homes, beach bungalows, or homey condos.

This is a great time to walk the beach and enjoy dinner at your new home away from home. Get a good night's rest with the waves rolling in because tomorrow, you'll need to be ready for an adventure!

DAY 2

Wake up early and head to **Wewahtichka** for your adventure. Hop on board with **Off The Map Expeditions** and explore the Dead Lakes on a guided pontoon boat. Be sure to pack your binoculars and camera. You never know what you will see on your tour. Make sure to pack snacks and a lunch to enjoy on the boat surrounded by beautiful scenery. After your tour of the Dead Lakes, seek out Wewahtichka gold, better known as **Tupelo Honey**. Stop by for a free honey tasting at **Smiley Honey** and learn all about how Tupelo Honey is made from local Tupelo trees.

DAY 3

Enjoy your last day on the beach! Savor your beach day with an easy lunch of sandwiches on the beach from the **Piggly Wiggly**. When in Port St. Joe stop by and grab ready-made sandwiches. Later in the afternoon, explore a little more of Cape San Blas by renting bikes from **Scallop Cove** and ride the **Loggerhead Trail**. Visit **St. Joe Shrimp Company** and pick up some yummy crab cakes or shrimp to cook dinner at the house. After dinner, head outside around the fire pit or down to the beach for a bonfire to roast smores at sunset and enjoy yard games with the family.
