Indio Brewing

A Lucha Libre mural featuring a masked wrestler sets the tone at this Latin-owned and operated hotspot in Sugar Hill. Enjoy craft cervezas, from hazy IPAs to sours, stouts, and more. Expect plenty of tropical fruit infusions (we like the Don Ramon New England IPA, with flavors of tangerine, mango, and pineapple), plus comedy, bingo, and karaoke nights.

Meander Brewing

Opened in 2024, Meander Brewing Co. has been a dream of the two owners (Mike and Paul) for almost two decades. Using the freshest ingredients, Meander offers incredible craft beers for the craft beer drinker or casual light beer drinker. Have a number of games to keep the family entertained, an outdoor beer garden for our furry friends, and the big games on the TVs.

6S Brewing Co.

Exposed brick adds character to this tasting room housed in a fully restored, 145-year-old building in historic downtown Duluth. This family-run operation pours a variety of beers from Soft Tail Hefeweizen to Duluth Imperial Pale. Bring in some food and the family to play one of the many board games available.

Suwanee

Good Word Brewing

Owners Todd DiMatteo and Ryan Skinner, both former employees of famed Brick Store Pub in Decatur, carry on the tradition of quality brewing, curated comfort food, and community building. Fans of the spot's burger, with caramelized onions and special sauce include iconic chef Wolfgang Puck. Wash it down with Any Day Now, an Italian Pilsner.

Elixir Brew Co.

Downtown Buford's Original Brewery, Elixir Brew Co., is nestled in the heart of the community in historic downtown. Bringing you exceptional craft beers, each brewed with a unique twist. More than just a brewery; it's a gathering place for creators, crafters, and experimenters!

StillFire Brewing

Brewers here are riding high from championship wins, including a medal for their Black Mask Imperial Stout, judged "Best Strong Beer in Georgia" for 2021. Sample it and at least 25 other selections (craft root beer, too), plus food truck eats, at this dog-friendly brew garden adjacent to Suwanee Town Center Park.

Peachtree Corners

Social Fox Brewing Co.

Outside Norcross's first craft brewery is a mural titled Tumblefield depicting a pair of foxes rollicking together. That playful mood carries over to the newly expanded space. Billing itself as "small, social, and hyperlocal," the brewery hosts fun events, including open mic and trivia nights.

Truck & Tap

Relaxed hangout offering a rotating lineup of food trucks, plus craft beer, cocktails, and live entertainment.

Lawrenceville

Slow Pour Brewing Co

The mood is warm and welcoming at this 3,000-square-foot tasting room in Lawrenceville, thanks to a wide patio and string lights galore. Once a garment factory, the interior features a stylish bar, wood tables, and rustic brick walls. Beers on tap, signature brews, limited releases, and seasonal pours fuel game-day parties and nightly events.

Third Rail Distillery

We are located in the heart of Gwinnett County and we pay homage with our rye whiskey named after a signer of the Declaration of Independence, Button Gwinnett. Third Rail Distillery specializes in making their own fine craft spirits such as whiskey. The new distillery will feature a tasting room and plenty of outdoor space to roam!

Cultivation Brewing

Named as a nod to the owners' former landscaping business, this Norcross microbrewery offers innovative brews. Staples include Simple Habits Farmhouse Ale, a fruited-style Kettle Sour, and a Kölsch-style brew called The Chancellor. Check out Fresh Beer Friday releases and sunset views from the patio, too.
