

## Inspire Hamilton County: 2024 Tourism Gives Support Program

Hamilton County Tourism (HCT) seeks to use the tourism economy as a catalyst to give back to the community it serves through an umbrella initiative called Inspire Hamilton County. HCT strives to reduce the social, economic, and environmental impacts of traditional tourism through activities that regenerate and provide a net benefit to our communities and residents, while supporting a meaningful experience for our visitors.

HCT wishes to grow its support of community by using its resources to:

*Partner with organizations that support environmental stewardship (**Planet**).*

*Support opportunities for equitable economic inclusion for all (**Prosperity**).*

*Amplify all voices and cultures equally (**People**).*

*Make wise investments that make Hamilton County both a great place to live and to visit (**Place**).*

HCT will provide operating grants to tourism-focused non-profits with Planet, Prosperity, People and Place as the guiding principles.

## Inspire Hamilton County Areas of Focus

**An organization grant request should be centered around one of the four Ps below.**

**PLANET:** Environmental sustainability is vital to Hamilton County Tourism. Grants will be considered for environmental practices at events that draw visitors, implement action items that support education and action, or provide outdoor programs that raise awareness around a topic and new ideas that innovate and inspire.

**PROSPERITY:** HCT wants all partners to be economically viable. Data Intelligence, marketing and communications strategies, new ideas, growing workforce, and partner education are all examples of prosperity grant projects. Also considered in PROSPERITY is seasonality. Hamilton County sees a decline in visitation in colder months, late fall and early spring and encourages innovative ideas on how to attract visitors during these periods both indoors and out to provide year-around support to our local businesses while also balancing the pressures of visitation throughout the calendar.

**PEOPLE:** Hamilton County Tourism welcomes peoples of all races, ethnicities, abilities, gender identities, cultures and sexual orientation. HCT encourages organizations that produce public programs to explore how they might better represent diversity, equity, access, inclusion and belonging (DEAIB) in those programs.

**PLACE:** Placemaking is an important component of community and attracting visitors. Many Hamilton County partners gather people and showcase culture through public art, festivals and other events. We encourage programs that highlight what is unique about our community's past, present and future.

## **Organization type**

### **Request Amount, please note the following:**

- Each organization must apply as the organization type with which they qualify (listed below).
- An organization grant request cannot exceed the corresponding level listed below.
- Organizations may apply for more than one category but an award is not guaranteed.
- Festival attendance is measured by gate tickets, a system that attempts to accurately count visitors (e.g. people counters, geolocation data if available, zone counting)

### ***Arts Districts, up to \$2,500***

State designated arts districts that provide regular public programming on a community-wide scale.

### ***Cities/Towns, up to \$2,500***

Parks, downtown activations, city funded special events.

### ***Festivals (10,000+ in attendance), up to \$3,500***

Festivals are short-term in nature and must appeal to a wide variety of audiences, including out-of-area visitors. School festivals do not qualify. Faith related organizations can apply if the program is public, of general interest and not faith focused. Festivals with attendance under 10,000 in attendance should apply as a small, medium, or large tourism-related nonprofit organization (depending on budget).

### ***Nonprofit Tourism-Related Small Organizations, up to \$2,500***

Contributing nonprofits that have consistent operating hours, tell a story of a community to visitors, and have regular special programs. Small organizations have a budget of less than \$1,000,000.

### ***Nonprofit Tourism-Related Medium Organizations, up to \$5,000***

Contributing nonprofits that have consistent operating hours, tell a story of a community to visitors, and have regular special programs. Medium organizations have a budget of \$1,000,001 - \$5,000,000.

### ***Nonprofit Tourism-Related Large Organizations, up to \$10,000***

Iconic nonprofits with a permanent, physical location that have regular operating hours, can prove they attract regional audiences and are tourism-friendly or support a culture that is tourism focused. At least 10% of the organization's audience must come from beyond 50 miles (as proven by geolocation data or ticket sales). Large organizations have a budget of \$5,000,001+.
