Trip and Activity Ideas

BLEISURE (AKA BUSINESS LEISURE)

Savvy business travelers aren't saying, "I'm only here on business." They're capitalizing on unofficial work perks of business travel by taking some time to experience a destination before or after the event. When you've chosen a sweet destination like ours, there're plenty of opportunities to taste, ride, learn, and explore on their own or with family!

HANDS-ON TEAM BONDING

Looking for an educational yet fun team bonding experience? From chocolate-infused activities and ice cream making to virtual golf and ziplining, the Hershey Harrisburg Region is an ideal place for the team to come together.

HERSHEY AREA

Hershey's Chocolate World Attraction: This sweet stop is filled with interactive and immersive chocolate-themed experiences like the free Chocolate Tour Ride, Create Your Own Candy Bar activity, or historic trolley ride.

Hersheypark®: Combining one's love of chocolate and coasters, *Hersheypark* is our region's most popular family attraction with 70+ rides, 15 coasters, an 11-acre water park, and ZooAmerica® North American Wildlife Park. *Hershey's ChocolateTown*™ is an all-new region of *Hersheypark* featuring *The Chocolatier*™, a full-service restaurant; *The Sweeterie*™, a scratch confectionery kitchen; and *Milton's*™ Ice Cream Parlor.

Hershey Entertainment & Resorts: It's no surprise that chocolate is the star of these sweet and indulgent team activities in Hershey. Learn to expertly pair wine and chocolate, how to shake up a Signature *Hershey's* Chocolate Martini, or take the *Hershey's* Chocolate Challenge, where teams construct an edible building made entirely of candy.

Adventure Sports in Hershey: Enjoy an action-packed afternoon racing around the go-kart track, splashing on the bumper boats, or strategizing on the outdoor laser tag field.

Trip and Activity Ideas

HARRISBURG AREA

Whitaker Center for Science and the Arts: Discover the endless fun and possibilities with three attractions under one roof: two floors of interactive science exhibits, an intimate performance theatre, and the region's largest digital movie screen.

The National Civil War Museum: A must-see for history lovers, this Smithsonian-affiliated museum is one of the largest in the world dedicated solely to the American Civil War. Its collection of artifacts, weapons, artillery, uniforms, photographs, and letters tell heartbreaking and inspiring stories from both sides of the battlefield.

Adventure Explorations: Escape rooms, rock climbing, paddling, navigation challenges, ropes courses and hiking excursions designed to adapt to your group size, needs, goals, and settings.

AROUND THE REGION

(Less than an hour away)

Roundtop Mountain Resort: Teams work together on the ropes course as they complete challenges or encourage each other to face their fears on the zip line canopy tour.

Incorporate some outdoor adventure with skiing and tubing in the winter or ziplining, ropes courses, and water slides in the summer.

Turkey Hill Experience: Unleash team creativity as they create all-original ice cream flavors. Peach Coconut Pretzel Cake Icing Explosion? Sounds good, and it might just get them thinking about innovations outside the Taste Lab, too!

Ice cream lovers of all ages can learn the science behind ice cream making, then experiment with flavors and crunchy mix-ins to develop the dessert of their dreams!
