

The Hawaii Convention Center (HCC) now offers Magnetometer rental services to help enhance your event security.

Whether you have an event at HCC or at an off-site venue, we can provide up to ten (10) Garrett PD6500i, walk-through metal detector units. Our experienced security team will also be on-site to ensure the proper handling of the equipment.

The PD 6500i leads the industry with superior pinpoint technology and unmatched discrimination features. Designed for maximum throughput without compromising security, the PD 6500i is the walk-through of choice for security professionals worldwide.

RENTAL TERMS:

Magnetometers will be fully charged at time of transport.

Each magnetometer includes one (1) Security Wand.

HCC Security personnel will be on-site during your event to assist with magnetometer operation.
