**Special note to media:** The Hawai'i Visitors and Convention Bureau (HVCB) recognizes the use of the *'okina* ['] or glottal stop, one of the eight consonants of the (modern) Hawaiian language; and the *kahakō* [ā] or macron (e.g., in place names of Hawai'i such as Lāna'i). However, HVCB respects the individual use of these markings for names of organizations and businesses.
