MEET HAWAI’I UNVEILS DIGITAL MEETING PLANNER GUIDE

NEW ELECTRONIC PLATFORM PROVIDES MEETING PLANNERS WITH AN ENHANCED AND INTERACTIVE PLANNING EXPERIENCE

HONOLULU – The Hawai’i Visitors and Convention Bureau (HVCB) today announced Meet Hawai’i has launched a digital meeting planner guide. Meet Hawai’i developed the interactive electronic platform to equip meeting planners with enhanced digital-planning resources such as engaging visual assets, detailed fact sheets, comprehensive information on Hawai’i’s convention services, meeting facilities, event spaces, hotel accommodations, transportation and more.

“With its scenic beauty, treasured history and vibrant culture, combined with innovative technology, the Hawai’i Convention Center and world-class hotels, Hawai’i is the embodiment of a dream convention destination for attendees,” said John Reyes, senior vice president and chief MCI sales officer of Meet Hawai’i. “Our goal is to showcase the Hawaiian Islands to meeting planners, providing them with a customized and robust platform to consider booking our destination for their next meeting, conference or convention.”

Key features of the meeting planning guide include:

- **Meetings that Mālama:** Mālama Hawai’i is a corporate social responsibility (CSR) program that encourages mindful and regenerative tourism by providing special offers to meeting groups who participate in a voluntourism activity. Mālama Hawai’i offers attendees an opportunity to “give back” during their trip by taking part in volunteer opportunities that directly impact the environment. The goal for this program is to create a deeper understanding of the importance of the land to Hawai’i’s culture and provide a way to preserve both in the future.

- **Personalized Navigation:** The digital planning guide is designed to equip planners with a customized experience to book their next meeting in Hawai’i. Meeting planners can personalize and navigate their next event intuitively and seamlessly discovering unique meeting spaces, while exploring everything from hotel accommodations to incentive trips for groups, and more.
• **Dynamic Digital Assets**: Along with a visual tour of six Hawaiian Islands, colorful photos, vivid videos, interactive maps, and thorough fact sheets, the digital planning guide also provides meeting planners with a vibrant online venue catalog and an expansive view of exploring the Hawaiʻi Convention Center, other event facilities and Hawaiʻi’s amenities to help planners find the right setting and options for their next event.
