## Holland Eats

Our town has a rich Dutch history, but when it comes to food, we're a melting pot of flavors from around the globe. Let this guide be your foodie friend, a personal bucket list to the best spots in our historic downtown and beyond.

While you can't go wrong with classic *saucijzenbroodje* rolls and *stroomwafel* sundaes, there's a whole world of tastes to explore in Holland. Sample tapas, gyros, and Bibimbap, or dive into delicious dishes from Holland's Hispanic community in locations spread across the city. And don't worry about dietary needs - most places have options for gluten-free, vegan, and veggie diners. Just pick a spot on a map and go!

Sure, you might see a few national chains along your journey, but this guide shines a spotlight on the unique eateries that make Holland special. Wherever you are in town, there's a flavor adventure waiting for you.
