---

## Vehicle Title + License

New Michigan residents must title and register vehicles at a Secretary of State branch with proof of Michigan insurance and the out-of-state title. If the title is held by a lienholder or leasing company, provide the previous state registration. Michigan issues registration-only plates without converting the title, with fees based on the vehicle MSRP.

## Driver's License

Adults (18+) must provide proof of identity, pass a vision test, and meet physical and mental standards. Knowledge and road tests may be waived with a valid out-of-state license. The state will add your previous driving record to your Michigan record.

Residents under 18 must complete Michigan's Graduated Driver's Licensing (GDL) program.

A REAL ID-compliant license or ID, marked with a gold star, is required for domestic flights and access to certain federal facilities. These are available at Secretary of State offices.

---

## Seat Belt Law

Michigan law requires all front-seat passengers and those under 16 to wear seat belts, with children secured in approved safety seats.

Children must use a car or booster seat until age 8 or 4'9", whichever comes first. Children under 4 must ride in a rear-seat car seat unless all rear seats are occupied. A rear-facing car seat in the front seat requires the airbag to be turned off.

Law enforcement can ticket drivers solely for seat belt violations under Michigan's primary seat belt law.

---

## Recreational Vehicle Registration

Michigan requires registration for mopeds, watercraft, and snowmobiles through the Secretary of State. Watercraft 20 feet or longer and those with permanently affixed engines must also be titled.
