

2024 Shop Local Bingo Rules

- One Bingo card per person, ages 16+
- Each completed Bingo (row: horizontal, vertical, diagonal) gives you 1 entry into the Prize Drawings. The more bingos, the better your chances! Up to a maximum of 5 entries, plus the bonus row, for a total of 6 entries.
- Promotion runs Friday, November 29th through Sunday, December 1st.

How it works:

- Starting Black Friday, pick up a bingo card at any of the 30 participating businesses and take it around town to get it stamped at as many locations as you can! Every business has promotions happening, and you can find business hours and promotions on our website. This is a great opportunity to begin your Holiday Shopping and support your local community of business owners.
- Bring your completed bingo cards to the Chamber by Wednesday, December 4th at 5pm to enter for the prize drawings.
- There are 6 Prize Packages, with donations from the participating businesses and a grand prize drawing of \$300 Homer Bucks.
- The winners will be drawn during our Holiday Tree Lighting Ceremony on December 5th.

The participating businesses are:
