Dear Valued Member,

We extend our heartfelt gratitude to all our valued members for their unwavering support of the Homer Chamber of Commerce & Visitor Center. Your financial support enables us to organize yearly events that not only boost our local economy but also improve the quality of life in our community. We've paid close attention to our members' feedback and are now more dedicated than ever. As a result, we have introduced fresh annual events with a community focus and a revamped member package, catering to businesses not primarily reliant on tourism.

Community Focused Events

We introduced a handful of new events this past year that were a resounding success.

- **Fall Festival** that created an opportunity for families and vendors alike to enjoy the fall weather, get creative and revel in the season.
- **Pioneer Ave Trick or Treat** brought out hundreds of locals partaking in the tricks and treats with the businesses along Pioneer Ave. This year we will be closing a section of the street off for a safer environment for the children.
- **Halibut Festival** with a focus on our fishing industry and all things Halibut including our **Big 'But Ball** and **Summer Solstice Festival**. The Halibut Festival also featured a revamped and eco-conscious **Halibut Derby** that was shortened to one month with a new released fish category enhancing sustainable fishing.

New Membership Packages and Benefits

One of our main changes is our brand new Member Package

- Introducing **Gold Membership Package 2**. This membership includes benefits catering to businesses with a stronger local customer base.

We have changed a few Member Benefits based upon our member's feedback.

- VIC, Airport and Spit VIC have been put together under ONE rate.
- Introduction of the **Business Services Directory Booklet**. A resource tailored to new members of our community. Curated to provide essential information about local business services, ensuring a smooth and convenient transition for our newest residents.

Please make sure to have your membership renewed no later than **October 31, 2023** to be included in the Business Directory of our 2024 Visitor Guide.
