

Experience a city full of flavors and culture. From first steps to giant leaps, Houston is a city that rewards the bold, the innovative, and the imaginative. A city where you can be yourself and belong to something bigger. When you're in Houston, you're one of us!

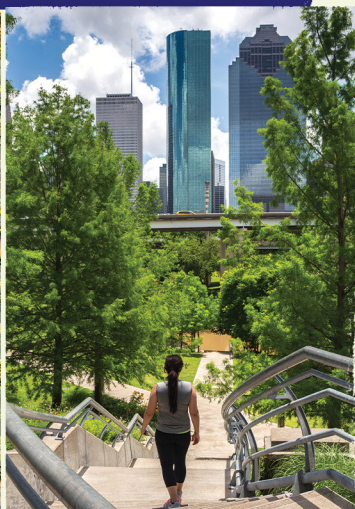

ANNUALLY AWESOME

No matter what time of year you're visiting, there are iconic events to make your trip unforgettable. The world's largest **Houston Livestock Show and Rodeo** takes place in February, the imaginative **Houston Art Car Parade & Festival** in April, and in June, we celebrate one of the biggest **Pride** events in America. Year-round food festivals honor our vibrant cultural communities from Greek to Caribbean and Armenian to Nigerian.

CULTURAL HAVEN

There are over 150 museums around Houston, making us home to one of the largest collections of cultural districts within any single city. But what really stands out is our scenic **Houston Museum District**. Perfect for walking and equipped with METRO light rail, the district is home to 20+ world-class institutions, including the renowned **Menil Collection**, the **Museum of Fine Arts**, **Houston** and the **Houston Museum of Natural Science**.

GREEN SPACES

Houston is a big city, and with nearly 53,000 acres of parks, we're also one of the top 10 U.S. cities for green spaces. **Hermann Park** offers shaded walking trails and an outdoor amphitheater for performances.

Buffalo Bayou Park's two miles of waterfront are beloved by walkers, bikers, skateboarders, dogs, and nature-lovers of all kinds. **Discovery Green** is a cool 12-acre oasis in the middle of downtown.

Let us show
you around!

SHOPPING SPREE

We're a city of designer brands and bargain finds; we're a treasure trove for antique collectors and vintage seekers. Our renowned **Galleria** mall is a must-see, as is the luxe **River Oaks District**. Those who love great deals, head for **Houston Premium Outlets**, **Tanger Outlets**, and **Katy Mills**. And you'll find fellow antique connoisseurs and vintage vultures on **Montrose**. Of course, TaxFree Shopping makes it easy for international travelers to get sales tax refunded on purchases at more than 250 stores.

CENTER STAGE

One the city's crown jewels is the **Houston Theater District**, home to award-winning, resident professional companies in ballet, opera, symphony, and theater. Experience a mosaic of performance venues, as well as nightlife, restaurants, and family-friendly attractions, all within a stone's throw! If live music is more your style, check out **White Oak Music Hall**, **The Rustic**, **713 Music Hall**, and **House of Blues**.

HUNGRY FOR HOUSTON

Houston is transforming the culinary scene with unique flavors that blend cultures in exciting fresh ways. Local chefs craft dishes like Vietnamese noodles with Cajun crawfish, brisket with kimchi, and Oaxacan flavors fused with African influences. With over 13,000 restaurants representing 141 cuisines—and a growing list of MICHELIN-designated spots—it's hard to decide where to start.
