Getting Around Downtown

PARK ONCE

- ★ Navigating City Lights is much sweeter this year! Visitors are encouraged to take advantage of special offers.
- Whether you start at the South Pole or the North Pole, both feature a designated Park Once Zone. Instead of driving from village to village, park in one of the garages, surface lots or street parking to conveniently explore more. You can stroll through the various destinations and candy-themed Sweet Spots.

HOLIDAY EXPRESS

Take the festive Holiday Express METRORail. The Green and Purple Lines connect the

North and South Pole Villages offering families a friendly, cost-effective and safe way to move through Downtown.

One downtown bus and two trains on the Green Line will be fully decorated, as will the Theater District rail platform. Operators and other METRO employees will don holiday-themed gear to enhance the festive mood.

REINDEER RIDES

New this year, EV Community Connectors operated by Evolve will provide complimentary rides on Saturday evenings through December 31.

These small, low-speed, electrical vehicles are designed to provide sustainable options for short-distance routes—perfect for cruising to check out all the Downtown villages.
