### **ABOUT EXECUTIVE CHEF** Dominic Soucie

Dominic started his culinary journey as a teenager in the Maine tourist town of Boothbay Harbor working at many of the town's restaurants. Upon graduation from college, Dominic worked in Boston and was part of the opening team for the Boston Convention and Exhibition Center.

Dominic relocated from New England to Houston and the George R Brown Convention Center in 2009 to get more firsthand exposure to other regional cusines.

In 2013 he took the reigns as Executive Chef for Minute Maid Park and the Houston Astros where he operated and oversaw all food operations for the fans and took the lead on the culinary program for the players.

In May of 2018 Dominic returned to the GRB team again as the Executive Chef.

Dominic holds degrees in both Culinary Arts and Food Service Management from the world renowned Johnson & Wales University in Providence, Rhode Island and also has PRO CHEF II certification from the iconic Culinary Institute of America in Hyde Park, New York.

When not in the kitchen, Dominic enjoys spending time at the golf course, traveling the world for new flavor fusions to bring back, and home brewing experimental beers.

My team and I are eager and excited to create menus and experiences for our quests that share the **cultural** diversity of our city, but also stay true to the southern root flavors that helped build it.
