

GREG GATLIN

The highly anticipated sibling restaurant to Gatlin's BBQ, Gatlin's Fins & Feathers is the newest concept from acclaimed chef-owner Greg Gatlin. The restaurant is nestled in Historic Independence Heights, where Gatlin's father and family grew up.

Gatlin will serve fried chicken as crispy as it is tender to mouthfuls of fresh local oysters, Gatlin's Fins & Feathers brings together Texas comfort food and Gulf Coast catches for a menu that is quintessentially Houston.

The menu is a mouthwatering testament to traditional Southern fare's modern inclusiveness. The expansive list of starters is sure to set the tone with Chargrilled Oysters to New Orleans BBQ Shrimp or try the Not My Momma's Biscuits with seasonal jams.
