

WELCOME TO *Houston*

VISITING HOU SAFELY

Houston welcomes a safe return to travel which includes social distancing, hand washing and other preventive measures. In Houston, all businesses are now permitted to operate at full capacity, including restaurants, retail, museums and attractions. For more information, visit the [State of Texas](#), the [City of Houston](#) and the [Centers for Disease Control and Prevention \(CDC\)](#) resource pages.

Additionally, here are some tips and further information to make your next trip to Houston a smooth and safe one.

Airports & Air Travel

For the most up-to-date information on domestic and international travel restrictions, visit the [Texas Department of State Health Services](#) and [U.S. State Department](#) travel pages. For updated TSA travel guidelines, visit the [TSA COVID-19 information page](#).

**FLYSAFE
HOUSTON**

[George Bush Intercontinental Airport \(IAH\)](#) and [William P. Hobby Airport \(HOU\)](#) have made several enhancements to their facilities and cleaning procedures to protect travelers and employees. Learn more about their FlySafe Houston commitment [here](#).

Tip: KNOW BEFORE YOU GO

- ✓ **MASK UP.** A federal mask mandate is in effect at all U.S. airports.
- ✓ **CHECK TRAFFIC.** There are ongoing roadway construction projects at George Bush Intercontinental Airport (IAH). If you are traveling through IAH, build in an extra hour to your travel time, as you may encounter roadway congestion. [Learn more here.](#)

Transportation

Houston METRO, rideshare services and other companies are taking preventative action to protect passengers and drivers. Be sure to verify updated safety policies with individual operators.

METRO

Safety measures have been implemented to encourage social distancing on local bus routes, light rail, Park & Rides and METROLift. Learn more about the measures, including service modifications, [here](#).

UBER
