## 4 Frequently Asked Questions

### Who can use the pod?

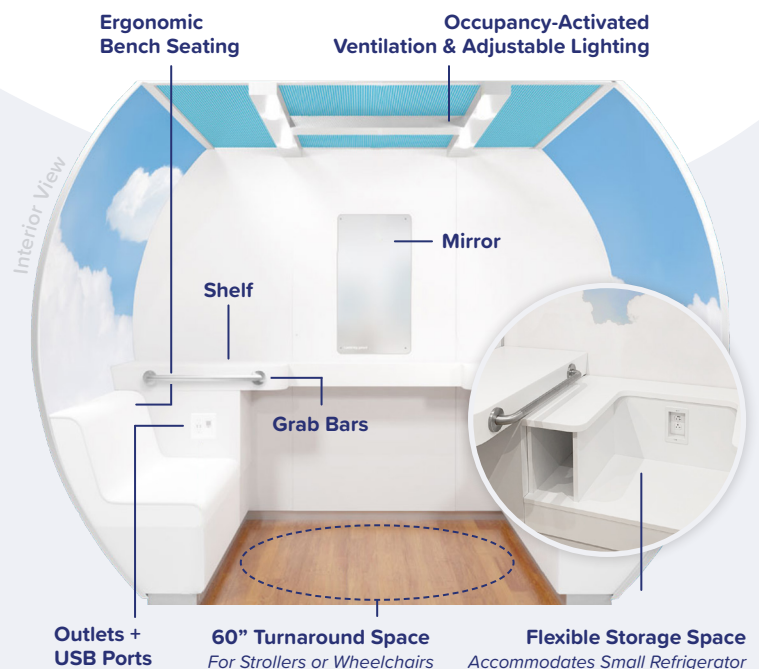

Any parent visiting the GRB who needs a private lactation space for breastfeeding or pumping.

### Why do I need to use the app?

The app unlocks the pod with the touch of a button - no finding keys, remembering codes, or waiting for attendants. GRB staff cannot provide keys or codes for the pod.

### I'm hosting an event at the GRB. Can I rent, move or brand the pod?

Contact your **Convention Services Manager** for event-specific pod questions.

Please inquire for additional details and information.
