From January 18th to January 31st, discover new culinary experiences in the comfort of your own home during Howard County Restaurant Weeks & Craft Beverages! Whether you opt for convenient curbside pickup, front-door delivery, or choose to dine-in, you'll be supporting locally owned and operated restaurants and craft beverage creators while discovering a variety of delectable dishes and drinks.

Twenty-five, and counting, restaurants throughout Howard County are featuring specialty menu items and beverages as well as bundled meal packages. Beverages, tax, gratuity not included, promotions, and menus and offerings vary.

There is something for everyone. In addition to all the favorite mainstays, several restaurants are participating for the first-time ever including Beef Brothers, Bushel and a Peck Kitchen & Bar, Koshary by Misteka, Neo Pizza, Rathskeller, Spurrier's Restaurant & Bar, Tasty Empanadas, The Periodic Table, Walker's Tap & Table, and Xenia Greek Kouzina.

Howard County's first distillery, Lost Ark Distilling Company, is proud to be sponsoring Howard County Restaurant Weeks & Craft Beverages by means of providing its locally made hand and surface sanitizing spray to participating restaurants.

"Our restaurants have worked incredibly hard during the past year to adapt operations and continue safely offering excellent food, drinks, and customer service," said Howard County Executive Calvin Ball. "I remain committed to our local restaurants not just surviving, but thriving. These next two weeks are the perfect time to

show our appreciation for our restaurant community and continue to support many of these small, local businesses during the ongoing pandemic. With more than 25 participating restaurants and breweries, and many first-time participants, let's use this opportunity to try something new, or an old favorite, and support our neighbors."

"Howard County Restaurant Weeks is an important reminder of how important restaurants and their employees are to every neighborhood and community," adds Marshal Weston Jr, President and CEO of the Restaurant Association of Maryland, "Hundreds of restaurant employees will benefit from everyone making an effort to go out and support restaurants during this time."

"Visit Howard County is proud to be the first destination in Maryland to debut a modified version of restaurant weeks with take-out and delivery options," adds Amanda Hof, Executive Director for Visit Howard County, "Despite challenges of the coronavirus pandemic restaurants are still in demand and a much-welcomed amenity for residents and visitors alike."

Rest assured that participating restaurants and craft beverage businesses are required to follow all CDC guidelines. Be sure to directly contact your business of choice to learn more about their current operating procedures.
