Hello

HUNTSVILLE, ALABAMA

Official Group Tour Guide for the Huntsville/Madison County Convention & Visitors Bureau

Plus!

Official Field Trip Guide for Educational Escapes included!

HUNTSVILLE
we've got space.

Huntsville/Madison County Convention & Visitors Bureau
Hello!

The Huntsville/Madison County Convention & Visitors Bureau is your one-stop shop for planning group visits to North Alabama. Services and materials provided to you upon request by the CVB are free of charge: contact information, motorcoach greeting, customized itineraries, familiarization tours, maps & brochures, photos & videos, site inspections, and welcome bags.

WE ARE A PROUD MEMBER OF THE
American Bus Association
Alabama Motorcoach Association
National Tour Association
Southeast Tourism Society
Student & Youth Travel Association
Travel South USA

TOUR THEMES

The Rocket City’s diverse landscape and unique blend of cultures creates endless possibilities for groups of all types.

- African-American Heritage
- Flavors of the South & Craft Beer
- Arts & Shopping
- Agricultural & Ecological
- Foundations of Faith
- Performance
- Antebellum to Anti-gravity
- Girlfriend Getaways & Mancations
- Voluntourism
- Experiential & Mystery
- “Between the Mountains and Lakes” North Alabama Tour
- Educational Escapes Field Trips
- Robert Trent Jones Golf Trail
- “Sweet Home Alabama” Multi-City Tour
- “Made in the U.S.A.”

Educational Escapes is a free, curriculum-based service that promotes fun and exciting educational opportunities in unique environments outside the confines of the classroom. Created through a partnership with community educators and the educational directors at area attractions, Educational Escapes offers students the opportunity to immerse themselves in “hands-on” learning experiences. More than just a break from the classroom, this will be a unique field trip experience that your students will remember for a lifetime.

STUDENTS CAN EXPERIENCE FUN-FILLED, EDUCATIONAL ACTIVITIES THAT COMPLEMENT SIX FIELDS OF STUDY:

- SCIENCE
- ART
- TECHNOLOGY
- MATH
- SOCIAL STUDIES
- LANGUAGE
Bring out your inner child with unique attractions and amazing adventures in Huntsville.

**SPACE TO Play**

**U.S. Space & Rocket Center**

One Tranquility Base, Huntsville, AL 35805 | 256.837.3400 | 800.837.7223 | rocketcenter.com

The world’s largest space museum features interactive exhibits that highlight the history of spaceflight as well as its future. The U.S. Space & Rocket Center (USSRC) is a Smithsonian Affiliate and the Official Visitor Center for NASA’s Marshall Space Flight Center. Experience the mesmerizing view of a National Historic Landmark – an authentic Saturn V rocket – one of only three in the world, located in the Saturn V Hall of the Davidson Center for Space Exploration. Journey through America’s Space Race and NASA’s plan to put man on the moon and the International Space Station, and get a glimpse of the future in commercial space ventures and the latest technological innovations. Groups can feel the powerful G forces of launch aboard Spaceshot, view artifacts such as the Apollo 16 capsule, and experience breathtaking presentations in the INTUITIVE® Planetarium. From schools to college students or adult tour groups, a stellar experience is waiting for you! The U.S. Space & Rocket Center is also home to Space Camp®, Aviation Challenge®, U.S. Cyber Camp®, and Space Camp Robotics® programs.

**FAMILY SPACE CAMP**

Family Space Camp encompasses simulated mission training and operations, rocket construction and on-site space history in one of the world’s largest spacecraft collections. Space Camp students experience astronaut training simulators such as the 1/6th Gravity Chair and the Multi-Axis Trainer. Include grandparents or other extended family members in this out-of-this-world experience! Programs are three days with extended four-day programs offered on select holiday weekends.

**CORPORATE SPACE CAMP/AVIATION CHALLENGE**

Look no further for first-class professional development and incentive rewards programs. Develop leaders and strengthen teams through immersive Corporate Space, Aviation, or Outdoor Challenge experiences that build individual skills, promote leadership and enhance teamwork. Programs are customized to fit your team size and schedule and are generally offered year-round according to facility availability. Multiple-day schedules are available. All programs include necessary materials, personalized flight suit, transportation, and private meals.

**PERFORMANCE OPPORTUNITIES**

Performance groups are welcome in various locations by request.
A star-filled view of the Saturn V mock-up outside the Davidson Center at the U.S. Space and Rocket Center.

—I HAVE LEARNED TO USE THE WORD ‘IMPOSSIBLE’ WITH THE GREATEST CAUTION.

—WERNHER VON BRAUN
U.S. SPACE & ROCKET CENTER FIELD TRIPS

The immersive educational camp programs place students in real-world context allowing them to view mathematics and science as something more than just an academic exercise. These subjects become tools to develop future careers as scientists, engineers, teachers and astronauts.

ULTIMATE FIELD TRIP

Your classroom curriculum comes alive when students enjoy the Ultimate Field Trip at the U. S. Space & Rocket Center! The Rocket Center houses more than 1,500 artifacts from America’s space program, including an authentic Saturn V moon rocket. Bring your students for a unique and inspiring day full of interactive simulators, exhibits and a hands-on, STEM curriculum-based science lab! New activities include the Intuitive™ Planetarium, Sea TREK, DIVR+, and Scuba Diving. Length of Course: Approximately 6 hours (including a boxed lunch)

PATHFINDER

Pathfinder is a condensed version of the week long Space Camp® program. It focuses on math, science and space mission training. Pathfinder is a two-night, structured, educational adventure which includes a full history of the space program, astronaut simulators, a simulated shuttle mission, model rocket construction and launch and an Intuitive™ Planetarium presentation. The program concludes with a graduation ceremony for the trainees. Grades: 4-8 (Aviation track also available) Length of course: 2 nights

SPACE CAMP®, AVIATION CHALLENGE®, SPACE CAMP® ROBOTICS, & US CYBER CAMP

Trainees engage in simulated training scenarios to learn leadership skills, teamwork, problem-solving and decision-making. Space Camp® trainees put their skills to the test as they train to live and work in space and take command of their own simulated space missions. Aviation Challenge® trainees spend an exciting and educational week in the great outdoors training like military fighter pilots as they plan missions and fly high-performance jet simulators. Space Camp Robotics® trainees engineer the future as they design, build and operate robots for land, sea or air. U.S. Cyber Camp® includes activities such as building computers, learning programming languages, and defending systems against cyber threats. The high school program is college accredited. Grades: 4-12 Length of Course: 5 days

Please visit spacecamp.com or call 800.637.7223 for more information on camp programs, specialty camps, and educator programs.

FIELD TRIP

INTERNATIONAL SPACE STATION PAYLOAD OPERATIONS INTEGRATION CENTER

The Payload Operations Integration Center is responsible for NASA’s science experiments on board the International Space Station (ISS), and is in operation 24 hours a day, seven days a week at the Marshall Space Flight Center. The Payload Operations Center communicates with the astronauts on board the ISS on a daily basis and can remotely operate on-board science and technology experiments. There is a viewing area at Marshall where visitors can observe the control room operations. Length of tour: 30 minutes

NASA’s Marshall Space Flight Center
866.ESC.2HSV | nasa.gov/centers/marshall
Bus tours to Marshall Space Flight Center depart from the U.S. Space & Rocket Center. MSFC, the birthplace of the U.S. space program, develops key space transportation and propulsion technologies, manages science aboard the International Space Station and pursues scientific breakthroughs in space that will improve human life on Earth. These programs are available on a limited schedule and are subject to cancellation based on national security alerts.

Alabama Constitution Hall Historic Park & Museum
109 Gates Avenue, Huntsville, AL 35801 | 256.564.8100
earlyworks.com/alabama-constitution-hall-park
Hear the whirl of the spinning wheel...smell the enticing aroma of freshly baked bread being prepared over an open fire...turn the great wheel lathe in the cabinetmaker’s shop...and hear the stories from Huntsville when Alabama first became a state. Alabama Constitution Hall Park is built upon the actual site where 44 delegates gathered to forge the way for Alabama’s statehood in 1819. Please contact EarlyWorks for customized experiences.
Discover the delightful mix of history, culture and the outdoors at Huntsville’s first museum. Explore Dr. William Burritt’s eclectic and “green” mansion, the historic park with restored 19th-century log houses including the barnyard and animals, the Rosenwald Schoolhouse, the many hiking trails, and the artistic events including concerts, plays, and festivals. Burritt’s historic park interprets farm life from the 19th century. Step back into the lives of southern farmers as you visit historic log structures including the Eddins House ca. 1808, the oldest known man-made dwelling in Alabama.

**Festivals**
Experience the arts, crafts, and skills of our ancestors at the Folklife Festival held each November. Artisans demonstrate their crafts and entertainers provide hours of music and dance. Each April, Burritt hosts the Spring Farm Days. Visit their barnyard buddies, watch demonstrations of traditional skills, and try your hand at many of the tasks our ancestors performed on a daily basis. Candlelight Christmas is held the first weekend of December. The site is illuminated by hundreds of candles as you stroll through the park listening to a wide variety of musical groups. Each house also provides an opportunity for hands-on fun as you make traditional holiday crafts and sample roasted chestnuts and figgy pudding.

(Please note that changes to programming may be made to adhere to health and safety guidelines for COVID-19. Check our website for updated details as we draw near to event times and discuss changes with our registrar when making class reservations).

**Field Trips**
Select one of the following “pre-packaged” field trips or contact us to arrange your custom-designed Burritt experience. More offerings are available on our website including outreach to your location and virtual field trips.

**Burritt and His Green Home**
Dr. Burritt’s home has many features that were unique in his day. The straw bale insulation he used is only one of the many “green” features of this building. The shape of his home and the materials he used are just a few of the unique features students learn about as they enjoy a scavenger hunt. Include a tour of the Historic Park to see how settlers designed structures to take advantage of solar heat, wind power and natural resources.

**The Underground Railroad**
The Underground Railroad had no tracks or train cars, but it moved thousands of slaves from the South to freedom. Learn who traveled on the Underground Railroad and where they went. Follow the clues from one “safe” house to the next, and hear the music from this time as you create a souvenir craft.

**Wild Wonderful World of Animals**
Burritt offers animal studies including domestic, wildlife, and urban wildlife. Explore the differences and similarities between these types of animals. You will have the opportunity to visit the habitat of a variety of animals as you hike the trails and travel through the barnyard. Learn and have fun as you play the food chain game.

**How in the World?**
How did the people of the past get to North America? Where did they come from? Learn about orienteering, cardinal directions and mapping as you trek across Burritt on the Mountain.
You will participate in a treasure hunt as you use the compass to navigate through the park. Length of Course: 1.5 hours

COMMUNITY PAST AND PRESENT
Visit our Historic Park and see how people lived in this region over 100 years ago. Play with traditional toys, learn about food and lifestyle of the 1800s and make a craft from the past.

BURRITT’S BARNYARD BUDDIES
Come explore the Barnyard and greet the animals that would have lived on 1800s farms in North Alabama. Discover why farmers had animals like these and meet some of Burritt’s resident “Barnyard Buddies.” Complete an animal themed craft as a souvenir of your visit. Grades: PreK-2 Length of Course: 1.5 hours

LETTERBOXING
Letterboxing is an amazing game that was played in 19th century England and is now enjoyed all over the world. Learn the history of letterboxing and then go on an adventure in our Historic Park as you hunt for clues that lead you to your prize. You will use logic to figure out these clues, so come prepared to “reason” your way through the park. Students will make a logbook to use while letterboxing. They will also be introduced to geocaching, a modern “treasure hunt” that closely resembles letterboxing but uses modern technology. Grades: 3-12 Length of Course: 1.5 hours

NATIVE AMERICANS OF NORTH ALABAMA
Learn about the Native Americans who lived in North Alabama during the early 1800s – what tribes lived in our area, what their lifestyle was like, and when they were removed from their lands and why. Experience the Trail of Tears simulation to learn about the journey Native Americans were forced to endure as they relocated to the west. Celebrate their culture as you learn to write using Sequoyah’s Cherokee syllabary and make a Native American craft. Grades: 3-12 Length of Course: 1.5 hours

4TH AND 5TH GRADE SCHOOL DAY EXPERIENCE
This new exciting program, developed in conjunction with a team of local educators, allows students to experience a day in the life of a 1918 Alabama school. Students will be transformed into 1918 students as they are outfitted in era-appropriate clothes, repack their lunches in baskets and pails, say the Pledge of Allegiance and study reading, writing, and ‘rithmetic. Students also get to experience writing with a nib pen and ink, doing their lessons on slates, learning an era-appropriate vocational training lesson, and playing games of the time period during recess. Teachers select either basket weaving (additional $2.00 supply charge per student) or gardening and plants as the vocational training topic for their class. Grades: 4 Length of Course: 9:30am - 1:30pm

TECHNOLOGY: INVENTIONS AND INNOVATIONS OF THE PAST AND PRESENT
Explore the technology and inventions of the past. Students will see demonstrations and have hands-on experience using early technology. See how these technologies made life easier for our ancestors. Students will also work in teams on a design and engineering challenge. Teacher selects two past technologies for demonstration and one engineering and design activity.

TECHNOLOGY OF THE PAST
(choose two of the following traditional activities)
Spinning Wool, Blacksmithing, Churning Butter, Using Farm Tools and Equipment

ENGINEERING AND DESIGN
(choose one of the following traditional activities)
Egg-o-nauts: use the materials provided to build a containment system to protect your egg as it is dropped from a height.
Marshmallow Bridges: think like a real civil engineer. Use your imagination to build a bridge with ease. Test your design and see who has the strongest bridge built. Grades: 3-12 Length of Course: 2 hours

PERFORMANCE OPPORTUNITIES:
Contact the Educational Director about performing during the Heritage Folklife Festival in October/November, Spring Farm Days in April, Candlelight Christmas and other events.
EarlyWorks Children’s Museum

404 Madison Street, Huntsville, AL 35801 | 256.564.8100 | earlyworks.com

The South’s largest hands-on history museum provides a fresh and fun approach to history education with a completely interactive gallery of exhibits. Play a tune on the Alabama Bandstand, explore a 46-foot keelboat and hear traditional stories from a Talking Tree. Young explorers can play in “Biscuit’s Backyard,” a playroom just for ages 6 and under. Family members, young and young-at-heart, will enjoy exploring the past together.

FIELD TRIPS

BISCUIT’S BIRTHDAY BASH

Biscuit, our adorable puppy mascot, is having a birthday and your class is invited to join the fun! We’ll join Biscuit’s other animal friends enjoying creative playtime in his “backyard,” building and pretending in the Kidstruction Zone, and of course, dressing up for pictures. Shhhh, maybe we’ll even brainstorm about some neat doggie presents!

Grade: Pre-K-1st

TRAVELERS AND TRAILBLAZERS

Climb aboard and go on an adventure through the great state of Alabama. Many travelers have come through to make it what it is today. Take a journey on our 46-foot keelboat, go to the General store to buy your necessities, and build a house in our “Kidstruction Zone.” Learn about Alabama’s great trailblazers, such as everyday people, Alabama politicians, the Tuskegee Airmen and more! Come along with us as we explore Alabama’s rich history through this hands-on, one-of-a-kind experience.

Grade: 1st-3rd

THIS ROAD WE’VE TRAVELED

Discover African American history in Alabama and beyond through this community-driven program. Volunteers join our educators to share African American history through the arts, living history, and personal experiences. Students jump through time to learn about experiences of slavery, reconstruction, civil rights marches and the fight for equality. Through exhibits, art, and activities, this program gives children a glimpse of the hardships African Americans encountered and the great accomplishments they have made.

Field trips are subject to space availability, advance request, and advance payment. Be sure to check our website for the most current information.

Huntsville Botanical Garden

4747 Bob Wallace Avenue SW, Huntsville, AL 35805 | 256.830.4447 | hsvbg.org

Open year-round, the Huntsville Botanical Garden contains diverse ecosystems to explore within its 112 acres. From grassy meadows to woodland paths, aquatic habitats to stunning floral collections, the Garden invites guests to discover the beauty and wonder of the natural environment. Stroll along the nature trails while admiring collections of Alabama’s native plants. Play freely in the Children’s Garden after encountering the fluttering butterflies in the nation’s largest open-air butterfly house. Find serenity in the cool shade of the trees, surrounded by the sounds of nature. With additional events, exhibits, and programs throughout the year, the Garden is a source of plant conservation, education, and celebration for all.

CHILDREN’S GARDEN & BUTTERFLY EXPERIENCE

Inspire wonder and curiosity with a double dose of exploration! First, discover the Purdy Butterfly House, an immersive habitat for brightly colored butterflies, as well as turtles, fish, and frogs. Then explore the adjacent Children’s Garden, where young learners can expand their understanding of the natural world. This is a self-guided learning experience. Length of self-guided tour: 1 to 1 ½ hours

ALABAMA NATIVE PLANTS INTERACTIVE MAP

The Native Plants Teaching Garden is a public space that highlights how Alabama plants, soil, pollinators, and birds create distinct communities, together forming a diverse, sustainable, and attractive landscape. An interactive digital map allows learners to navigate their way through the garden and identify the plants they see.

Length of self-guided tour: 30 to 45 minutes

BIRD WATCHING ALONG THE TRAIL

Named a birding hotspot by the Cornell Lab of Ornithology and National Audubon Society, the Garden is home to a large diversity of both local and migrating birds. Along the Lewis Birding Trail, birders can seek out and observe bird species in their natural habitats. Materials can be provided for a self-guided tour, or guided birding tours are offered subject to availability and advance request. Length of tour: 1 to 1 ½ hours

NATIONALLY RECOGNIZED TRILLIUM COLLECTION

Boasting 32 species of trillium and over 800 accessions, the trillium collection at the Garden has been nationally recognized.
The Damson Aquatic Garden explodes with color at the southern terminus of the Perennial Garden. It features a tranquil water lily pool and a pavilion consisting of traditional pergolas.

"THE HUNTSVILLE CVB IS YOUR ONE-STOP SHOP FOR ASSISTANCE WITH TOUR DETAILS, AND THEY ALWAYS RESPOND IN A TIMELY MANNER."

— DAVID BURNS, All American Tour
accredited by the American Public Gardens Association. In the Holmes Trillium Garden, learners can explore this unique collection and get to know the plant known as the “trinity flower.” Self-guided and docent-led tours are available for this collection.

**Length of tour:** 1 hour

**PERFORMANCE OPPORTUNITIES**
The Garden offers indoor and outdoor venues for performing groups of all sizes, as well as performance opportunities at special events throughout the year. Contact the Special Occasions, Events, and Hospitality Services team to learn more:
rentals@hsvbg.org

**FIELD TRIP**

**SEASONAL SCIENCE**

**FIELD TRIPS**

As the Garden changes with the seasons, students have the opportunity to experience hands-on learning with timely and engaging topics such as the life cycle of butterflies, the physics behind seeds and nuts, and the interdependence of trees and animals. Field trips include an interactive presentation and a guided walk through the Garden with group activities. All programs can be adapted to fit the particular needs of a group.

**Length of program:** 1 ½ to 2 hours

**Grades:** Pre-K–6

---

**Historic Huntsville Depot**

320 Church Street, Huntsville, AL 35801 | 256.564.8100 | earlyworks.com

One of the South’s oldest railroad passenger depots is now a public history museum to share Huntsville’s history from the Civil War to Civil Rights. This building, listed on the national register of historic places, was captured by the Union in 1862 and still holds graffiti on the walls from Civil War soldiers. Young children can enjoy “Little Toot’s Imagination Station,” a train-themed play room for early learners. Stroll to the Auto-House to see early automobiles and Huntsville’s first ladder fire truck. Climb aboard locomotives, experience Civil War history and learn about the 100 years of Huntsville’s past that was seen on this historic site. Please contact the Depot for customized experiences.

**Historic Huntsville Depot**

is the oldest surviving railroad depot in Alabama and one of the oldest in the United States.

---

**Huntsville Madison County Veterans Memorial**

200-298 Monroe Street NW, Huntsville, AL 35801
huntsvilleveteransmemorial.org

The Huntsville Veterans Memorial Park honors the men and women who currently serve or have served in the United States Armed Forces.

---

The Huntsville/Madison County Veterans Memorial is a good stop for a history lesson and remembering those who bravely served.
This unique venue displays more than 30 historical military vehicles from World War I to the present, as well as artifacts and other memorabilia dating back to the Revolutionary War. Included in the collection are many rare and important artifacts such as the serial #1 jeep: the Ford Pygmy. Veteran volunteers present fascinating first-hand stories and oral experiences of World War II from written history based on the museum’s collection of unique vehicles, as well as representative weapons, radios, uniforms and personal gear. Length of course: 1 hour

FIELD TRIPS

INTERACTIVE DOCENT-LED TOURS 9 & 10

Taking a tour with a trained docent enhances the museum experience. A docent encourages students to ask and answer questions about the art on view. Docents provide a great deal of background about the artist, the work and the artistic movement to which the art belongs. By helping the student to observe, compare and interpret, the docent provides the tools to evaluate art on their own. Groups of ten or more may schedule a docent-led tour with two weeks notice. Length of course: 1 hour

LECTURES, GALLERY WALKS 9 & 10

Many programs are offered by the Huntsville Museum of Art throughout the year. These programs include gallery walks in which students join an artist for a tour of his/her works currently on view in one of the galleries. Often there are talks presented in the Museum’s Great Hall by artists, museum curators, educators, art collectors and art historians to enhance the enjoyment of exhibitions currently on view. Length of course: 1 hour

FIELD TRIPS

OUR NATION’S MILITARY HERITAGE

The students will learn about the Citizen Soldier Tradition, respect for the flag and armed conflicts at home and abroad from the military staff who “lived the history.” Length of course: 1 hour

IN-DEPTH STUDIES OF PERIODS OF MILITARY HISTORY

Students will participate in presentations of specialized facets of military history, often by veterans who were there. Length of course: 1 hour

FIRST PERSON EXPERIENCES

This is an ongoing program presented by veterans of World War II and later wars who will share with the students stories about morals, personal objectives and accomplishments of young people of another time. Length of course: 1 hour

IN-DEPTH DEVELOPMENT HISTORY OF MILITARY VEHICLES, WEAPONS AND EQUIPMENT

The students will learn about the history of military vehicles, weapons and equipment. Length of course: 1 hour

North Alabama’s leading visual arts center fills its 14 galleries with a variety of traveling exhibitions and the work of nationally and regionally acclaimed artists. The nationally accredited museum also presents shows from its own permanent collection of more than 3,200 pieces. Named as one of the state’s “Top 10” destinations by the Alabama Tourism Department, the Huntsville Museum of Art has gained a reputation throughout the South for bringing high caliber touring exhibitions to the region. In addition, the Museum offers art classes along with special programs, lectures, and musical presentations that add extra dimensions to the art work on display. Docent-led tours are available to enhance your group’s experience. Refer to hvmuseum.org for exhibition information and a current list of academy classes. Ask about night functions for groups!
Lowe Mill ARTS & Entertainment
2211 Seminole Drive, Huntsville, AL 35805 | 256.533.0399 | lowemill.net

Lowe Mill ARTS & Entertainment is the largest privately owned arts facility in the Southeast. With over 200 working artists, small businesses, restaurants, and live performance venues, this huge historic textile mill is now home to a community of artisans and businesses dedicated to the free expression of the arts. The vision for Lowe Mill is of a true arts destination, where artisans can practice their trade while educating the public about art and its value. Visitors are encouraged to enter the studios and speak with artists to learn about their work processes, inspirations, and to purchase work. Groups can also participate in a wide range of art inspired activities taught by the artists themselves including glass blowing, chocolate making, screen printing, and painting. Open to the public Wednesday through Saturdays.

GREEN PEA PRESS AT LOWE MILL
256.533.0399 | greenpeapress.com
Located on the first floor of historic Lowe Mill, this low-toxicity studio provides access to equipment used to create a variety of fine art print media, including wood, etching, letterpress, screenprint and bookmaking. Green Pea offers many field trip and class opportunities throughout the year such as t-shirt printing, and book and paper toy making.

Weeden House Museum
Built in 1819, the two-story brick house, distinguished by a remarkable leaded glass fanlight over the front door, was the home of 19th century poet-artist Maria Howard Weeden. Guests will view the art of Maria Howard Weeden, acclaimed for her water color paintings of former slaves and the poems that capture their stories, and learn how she painted exquisite portraits which captured the spirit of her model as she transcended the cultural barriers of her time. A visit to Weeden House is the perfect starting or ending point to a guided tour of the Twickenham Historic District. Private guided tours and event rentals are available.

FIELD TRIP
CIVIL WAR HISTORY
Students learn how the home’s residents lived prior to modern conveniences and are guided through what was happening in Huntsville during their lives: the city’s growth, how people made their livings, where they shopped, how they got their food, when Union Army officers moved in, and how life varied after the Civil War. A “History Hunt” through the parlors, dining room and bedrooms gives students the opportunity to take in the details of the furnishings and discuss why they are so different than what is in our homes today. Length of course: 1 hour.

Vertical House Records at Lowe Mill
Field trips

Courses Exploring Enzymes

In this investigative activity, students will learn about enzyme specificity, discuss the role of enzymatic reactions during digestion of a fast food meal, evaluate several enzymes used in the production of apple juice and even create their own cheeses using enzymes produced by biotechnology. Length of course: 1.5 hours Grades: 6–8

Kitchen DNA with a Twist of Inquiry

Students take DNA extractions to the next level by creating their own extraction solutions using common household items. Students will learn how cell structure impacts the extraction process and discuss why scientists extract DNA. Grades: 6–8 Length of course: 1.5 hours

What Is Biotechnology?

Students will investigate key events in the history of biotechnology and learn about its modern applications. In the lab, students will examine and use biotechnology tools such as micropipettes, gel electrophoresis, or protein assays. Length of course: 1.5 hours Grades: 6–8

Cytogeneticist for the Day

Taking on the role of a cytogeneticist, students will examine patient samples for chromosomal anomalies and learn how karyotypes are produced. Using HudsonAlpha’s Disorder Detectives® kit, students will also work through one of 15 patient case studies to create a karyotype. Length of course: 1.5 hours Grades: 9–12

Extreme Extraction

Extracting DNA is a favorite activity for many students and teachers and this experience takes it to the next level. Students will create their own solutions with common household items to extract DNA from one of a variety of food items, while learning how cell structure impacts the process and the reasons why scientists extract DNA. Grades: 9–12 Length of course: 1.5 hours

All in the Family—Or Is It?

Using the HNPCC® kit, students will examine the role of inherited mutations and environmental factors. They will use a family medical history to create a pedigree, select likely candidates for genetic testing and identify family members carrying the cancer-linked mutation with gel electrophoresis. Grades: 9–12 Length of course: 2.5 hours

Investigating the Genetics of Cancer

Students will examine the genetic roots of cancer, compare hereditary and non-hereditary cancers and use the HNPCC® kit to trace a cancer-related mutation through a family. Using gel electrophoresis, students will identify family members carrying the cancer-linked mutation and discuss ethical challenges related to genetic testing. Grades: 9–12 Length of course: 5 hours (Box lunch available by the HudsonAlpha Bistro)

Genome Cache

Using the double helix sidewalks of McMillian Park, students will go on a scavenger hunt to investigate nearly 200 genetic points of interest along the Genome Walk®. Students will use the Genome Cache app to answer trivia questions that will provide them with the next clue. Grades: 6–12 Length of course: 1 hour

HudsonAlpha Teaching Lab

HudsonAlpha Teaching Lab has workspace for up to 32 students. Field trips at HudsonAlpha are hands on.
SPACE TO Perform

From a historic mill to the Saturn V moon rocket, Huntsville has unique spaces to showcase your talents!

With 70+ retail shops, nationally known restaurant options, hotels, and a movie theater, Bridge Street Town Centre is a shopping destination.

Alabama A&M University
4900 Madison Street N, Normal, AL 35762
256.372.4001 | aamuports.com

The Alabama A&M University Music Program is widely recognized as an outstanding university-based music program with a long tradition of excellence. Master clinics are available for band groups.

Bridge Street Town Centre
6782 Old Madison Pike NW, Huntsville, AL 35806
256.327.8400 | bridgestreethuntsville.com

Bridge Street Town Centre is an outdoor lifestyle center with a European design, featuring over 70 upscale shops, many fabulous restaurants and the unique 14-screen Cinemark Pictures. Featuring many beautiful fountains and green open spaces, Bridge Street is proud to have a street entertainment program.

Madison Street Festival
First Saturday in October 888.228.5845
madisonstreetfestival.org

Performance groups from school choirs, churches, local musicians, dance studios, gymnastic centers and others are encouraged to participate.

Panoply Arts Festival
Last weekend in April | 256.519.2787
artshuntsville.org

Panoply Arts Festival includes an ethnocultural exhibition, children’s make-n-take activities and multiple stages featuring jazz, gospel, bluegrass, musical theater, ballroom dancing, songwriter’s showcase and student/youth-friendly performances. Organizers seek performance groups from school choirs, churches, local musicians, dance studios, etc.

Additional opportunities at area attractions.
Numerous local organizations welcome volunteers for year-round work and special projects.

Voluntourism

**Habitat For Humanity of Madison County**
400 Pratt Avenue NW, Huntsville, AL 35801
256.533.2282 | hfhmc.org

Habitat for Humanity International is an ecumenical, grassroots, Christian housing ministry that seeks to eliminate poverty housing from the world and make decent shelter a matter of conscience and action.

**Land Trust of North Alabama**
Offices: 2707 Artie Street SW, Suite 6, Huntsville, AL 35801
256.534.5263 | landtrustNAL.org

Trail Management Work Days offer individuals and groups an opportunity to participate in trail rerouting, raking and chopping and removal of dead foliage and invasive plants. The Land Trust will provide the tools, gloves and water—all they need is you!

“I THINK PEOPLE MAKE PLACES, AND HOSPITALITY IS JUST SETTING THE STAGE.”
— MELANIE MANSON, Land Trust North Alabama
ADDITIONAL Activities

**ADDITIONAL Activities**

From the Lucky Duck Scavenger Hunt to ghost walks in the city center, Huntsville’s eclectic community will surprise you with so much to see and do! #iHeartHsv

**Tours—Self-Guided And Guided**

**AVALON TOURS & HUNTSVILLE GHOST WALK**
Jacque Reeves | 256.509.3940 jacque.reeves@avalontours.net

HUB & Spoke

Hub & Spoke

No matter where your tour leads, you will find creative cuisine, friendly people, and sites uniquely Southern.

Huntsville is a convenient hub for meeting our neighbors in the beautiful North Alabama Mountain Lakes region. Take circle tours that extend to the west to see the FAME RECORDING STUDIO, ALABAMA MUSIC HALL OF FAME, IVY GREEN, BIRTHPLACE OF HELEN KELLER and the RATTLESHAKE SALOON. Birthplace shrines honor “father of the blues” W.C. HAN DY and OLYMPIAN JESSE OWENS. Sample cheeses recommended by the Food Network and Southern Living at BELLE CHEVRE CREAMERY and HUMBLE HEART FARMS. Explore the wonders of “THE DISMALS” and the BANKHEAD FOREST. Tour the newly restored home of FIGHTING JOE WHEELER and the BLUE AND GRAY MUSEUM. Walk down the shaded streets of historic MOORESVILLE and enjoy a farm to table meal at 1818 FARMS.

Ride east to CATHEDRAL CAVERNS and see the world’s largest stalagmite, shop the unique UNCLAIMED BAGGAGE CENTER in Scottsboro, and enjoy the scenery and extreme adventures of LITTLE RIVER CANYON.

Go south for the charming AVE MARIA GROTTO in Cullman and the magnificent SHRINE OF THE MOST BLESSED SACRAMENT in Hanceville. The scenic beauty of LAKE GUNTERSVILLE STATE PARK, the covered bridges near ONEONTA and GADSDEN’S NOCCALULA FALLS are worth the drive.

Head north to the JACK DANIEL DISTILLERY in Lynchburg, Tennessee, and PRICHARD’S DISTILLERY in nearby Kelso, Tennessee. Sample award winning wines at AMBER FALLS WINERY AND CELLARS and NATCHEZ HILLS WINERY AND VINEYARDS in Hampshire, Tennessee.

Customized, multi-city itineraries can be developed to make your tour meet the needs of your group.
