Meet the Buyers Shaping Global Events

Join a live workshop at the 65th ICCA Congress and connect directly with event professionals from around the world. Selected startups take part in a guided startup-to-buyer networking session built to spark real conversations.

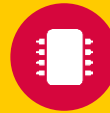

Direct access to ICCA members from across the globe.

We are looking for start-ups with solutions in one of these 4 areas:

Sustainability

DEI and circular economy

AI, Tech and Digitalisation

Smarter, connected events

Governance

Trust, risk and compliance

Talent Development

Building the industry's people

Inside the Session

1

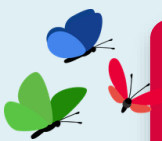

Industry briefing on startups in events

2

Interactive session with delegates

3

Guided startup-to-buyer networking
