

INCREDIBLE IMPACTS PROGRAMME

The **big** difference

Incredible Impacts Seed Fund Grant – Application Questions

This document outlines the questions within the Seed Fund Grant application process, to assist with preparing your submission. Please submit your application by Monday 2 June 2025, 11:59PM CET.

Applicant Details

- Applicant full name
- Email address
- Name of International Association
- What is your relation to the Association?

Project Details

- Name of the Legacy Project
- Name of the Meeting/Congress the legacy project would be linked to?
- Which of the UN Sustainable Development Goals (SDGs) does the Legacy Project align with? (You can select multiple)
- Describe the concept of your legacy project
- How will the legacy project and its activities align with the association's mission and purpose?

INCREDIBLE IMPACTS PROGRAMME

The big difference

- What will be the positive change the impact project deliberately intends to achieve?
- Who will be the stakeholders supporting the process of change around your event?
- What will be the role of the destination in planning, executing and measuring the long-lasting impact of the legacy project?
- What measuring tools do you have in place to monitor and report on the short-mid- and long terms impacts of your legacy activity? (Entries providing a systematic effort to measure and report on their impact will receive bonus points towards their entry.)
- Please specify clearly how you would use the grant funds in case you win and which activities you will undertake to elevate your legacy initiatives pertaining to this specific entry.
