

IN Indiana Public Art Activation Grant 2023

The IDDC Public Art Activation Grant looks to create Indiana-specific public artwork throughout the state of Indiana. Projects can include murals, sculptures, and other public art activities. Public artwork created in partnership with artists will feature the new IDDC tourism campaign. Use the link below to download logos, brand guidelines and more to be used in your grant proposal designs.

Along with the completed application, please include a copy of the following in a single combined PDF document. All documents will be required at application;

1. Provide a mock-up or draft of the proposed public art using the IN Indiana campaign branding.
2. Provide a few work samples of selected artist's previous work.
3. Provide a copy of the document(s) commissioning/contracting the project artist referenced herein to create the public art described in your application.
4. Provide a photo of the space that will be used for the potential art location.
5. Provide a map(s) showing the location of where the potential art location will be. (In relation to the community/city/town and the greater state.)
6. Please provide a copy of the Warranty Deed showing proof of ownership for the potential art location.
7. If applicable, please provide a Memorandum of Understanding between Lead Applicant and

Building

8. Please provide a copy of the IDOA bidder registration verification.
(<https://www.in.gov/idoa/procurement/supplier-resource-center/requirements-to-do-business-with-the-state/bidder-profile-registration/>)
9. Please provide a copy of the applicant's Direct Deposit information & applicant's W9

A. Project Location

1. Provide the full street address of the proposed location.

2. Why is your potential location the best choice? (High traffic area? Proximity to on-going events?):

3. How would your location create potential for photo opportunities?

4. Will the proposed location be free to the public or require user fees?

5. Are any licensing or liability issues associated with this project? Describe how these issues will be addressed including permits or legal documents.

B. Budget

Line Item Budget			
	Grant Request	Local Match (Optional)	Total Cost
Professional Fees			
Program Costs			
Total Project Budget			

Clearly define number of items and cost of each in the table

C. Readiness to Proceed Certification

_____ hereinafter referred to as “Applicant”, submits this certification to the Indiana Destination Development Corporation, hereinafter referred to as “IDDC” respective to the Applicant’s application to IDDC for state Public Art Activation Grant (“PAAG”) funding

1. Applicant commits to preserving and maintaining the project in a physically unobstructed state for a period of ten (10) years; should the grantee allow for obstruction, and if said obstruction was contrary to the terms of the grant agreement, IDDC may terminate the grant agreement under the termination for breach provision.
2. Applicant acknowledges that IDDC will provide final approval on all art designs prior to art implementation.
3. Applicant can provide written or documented assurance that the project location is owned by the Applicant or Applicant has approval from the building owner at time of application and agrees to display the commissioned work for the duration specified above.
4. Applicant is registered, or will be at award, as a vendor with the Indiana Department of Administration supplier division is able provide documentation to that affect.
5. This certification is submitted to IDDC to assure that the Applicant has attained sufficient readiness to complete the submitted project by the project deadline of **October 31, 2023**, and herein indicates the level of readiness-to-proceed respective to the following areas:
 - a. Project Financing
 - b. Control of all interests in real property necessary to complete the project (site control)
 - c. Obtaining necessary local, state and federal permits to complete the project
