LaPorte County is located on the southern tip of Lake Michigan, bordering the Michigan state line. LaPorte County is easily accessible by using exits 34 and 40 when driving on Interstate 94, and Exits 39 and 49 on the Indiana Interstate 80/90 Toll Road.

Lake Michigan sometimes whips up severe and dangerous tides - or Rip Currents - that warrant the posting of "No Swimming" signs on our public beaches. LaPorte Civic Auditorium THE GIFT THAT KEEPS ON GIVING

This beautiful, regal building was a gift to the City of LaPorte, in 1930, from local philanthropist, Maurice Fox of the Fox Woolen Mills, in honor of his parents. The stipulation of this gift was that the building be made available to all individuals, Civic and educational groups, or bodies.

The Civic has lived up to that promise and countless conferences, trade shows, concerts, stage plays, meetings, parties and receptions, training seminars, athletic events and recreation programs have taken the stage at the LaPorte Civic Auditorium. From circus elephants to celebrated musical artists, the auditorium provides a magnificent back drop for all occasions. Home to the LaPorte County Symphony Orchestra, the Civic is a place that shapes memories. The annual Holiday at the Pops, magic shows and the Hoosier Star competition are fan favorites.

In 2022, the Civic hosted over 300 events for the community including ballroom dancing, ceramics, pottery, barre and yoga classes with over 50k attendees for free and paid events. The Civic hosts more than 50 events per year ranging from weddings, concerts, fundraisers, etc. They are great community partners and help with everything from blood drives, food giveaways, backpack giveaways for school, public health services when needed and shelter for the community in times of duress.

The Civic is available to be rented for an event and has flexibility including smaller rooms in the lower level, a full kitchen and 4 rooms that can be combined into one large room, fiber internet service and WIFI. The building can host events for as little as 10 to as many as 3,000 people at a time.

They come from throughout LaPorte County and many are showing their art to the masses for the first time. The CVB created the gallery to expose the art of local creative types who might not have the opportunity to show their work anywhere else. Shady Creek Winery

AN EXPERIENCE YOU DON'T WANT TO MISS

Shady Creek Winery in Michigan City opened its brand-new renovation in May 2022. The winery offers more than 30 different wines, including sweet, sparkling, dry white, and dry red wines. Situated on 20 acres of land, the expanded footprint now includes an expansive backyard seating area with fire pits and water features, a wine shop full of seasonal gifts and yummy snacks, an event center for private events, and a brand-new wine production facility. The winery has continued to offer new products including frozen wine slushies, a full food menu, and the recently released Dry Hard Cider. Weekly live music, fun summer games, and winter igloo seating among other fun activities make for a fun year-round experience.

Owned by the Schwarz family, their goal is to combine first-class wine and food in an awesome venue to enhance a love of wine in their guests. The Schwarz's have brought an approachable and upscale "Napa" wine experience to the Midwest. Whether viewing into our working barrel room or

enjoying a glass of wine in our new backyard bar, the winery design is fresh and exciting. The wine is made from grapes grown in optimal regions from around the country, further enhancing the quality of wines. This means the 2020 Pinot Noir was produced from Russian River Valley, CA fruit, and the 2021 Pinot Grigio was grown in Baroda, MI, only 25 minutes from the winery.

At Shady Creek, their focus is on fun and relaxation over everything else, and a loyal group of team members, Wine Club members, and regular guests have made them an award-winning destination. Shady Creek Winery ships directly to consumers in 37 states nationwide and can be ordered online any time of the year.

They invite you to stop in today for casual dining, outdoor seating, live music, private events, and more!

Basketball Conference

NATIONAL HIGH SCHOOL POWERHOUSES CONVENE

Ever heard of Hoosier Hysteria? Hoosier Hysteria is defined as a state of excitement surrounding basketball in Indiana or, more specifically, the Indiana high school basketball tournament. We Hoosiers LOVE basketball!

The NIBC is comprised of eight member institutions from around the country, many who have won national titles:

- Bishop Walsh School (Cumberland, MD)
- IMG Academy (Bradenton, FL)
- La Lumiere School (La Porte, IN)
- Legacy Early College (Greenville, SC)
- Montverde Academy (Montverde, FL)
- Oak Hill Academy (Mouth of Wilson, VA)
- Sunrise Christian Academy (Bel Aire, KS)
- Wasatch Academy (Mt. Pleasant, UT)

NIBC works with ESPN to bring this unprecedented high school television and streaming schedule to fans. LaPorte County will host a series of games January 5-7, 2023 at the LaPorte Civic Auditorium.

The National Interscholastic Basketball Conference (NIBC) will, once again, feature eight traditional high school powers in 2023, after a successful inaugural year of play which featured our own La Lumiere School basketball team.

Rashid Ghazi, partner at Paragon Marketing Group, commissioner of the league stated, "For student-athletes who want to remain in high school and keep their options open for college or the G League post-graduation, the NIBC represents a tremendous platform that combines elite-level basketball with excellent academics in a real campus setting. These eight schools have outstanding histories and helped develop countless young men to achieve their dreams of excelling in both college and professional basketball."

Church is about community. Jesus taught his disciples that they needed to go out to the people. The church was all around them. It wasn't about building a church membership, it was about making sure everyone knew about Jesus. Church is all around us, it is where we live, work, play and serve. It is our community. Church isn't just for Sunday! At Bethany we try to live that by loving and serving the greater community in meaningful ways. Like Jesus.

They strive to bring you boho, chic, casual and feminine clothing with a vintage flair that enhances your unique personality – as you shop in an inviting, relaxed atmosphere. Stop by their quaint, downtown boutique to find hand-picked quality and exquisitely comfortable outfits that make you feel confident and beautiful every day.

When reading the headline you may think is a story about snacks, but it is better, it is about two wonderful shopping outlets in the area.

Unsalted. No Sharks. is a downtown Michigan City testament to lake pride and the preservation of freshwater. They sell apparel with a purpose; 10% of their annual profits go to clean water initiatives. Their soft, garment washed clothing is perfect for cool lake nights, a football game or just because and is available from toddler to 4X. Their trademarked No Sharks is tongue in cheek distinction for both the great lakes and the inland lakes across the country.

Their clothing, accessories and home goods celebrate with simplicity and humor lake pride and are a great souvenir to take home. The storefront also serves as the corporate office and the owner Linda Weber is currently working on items that will celebrate Michigan City and the local beaches; Sheridan, Long Beach, etc.

Accommodations

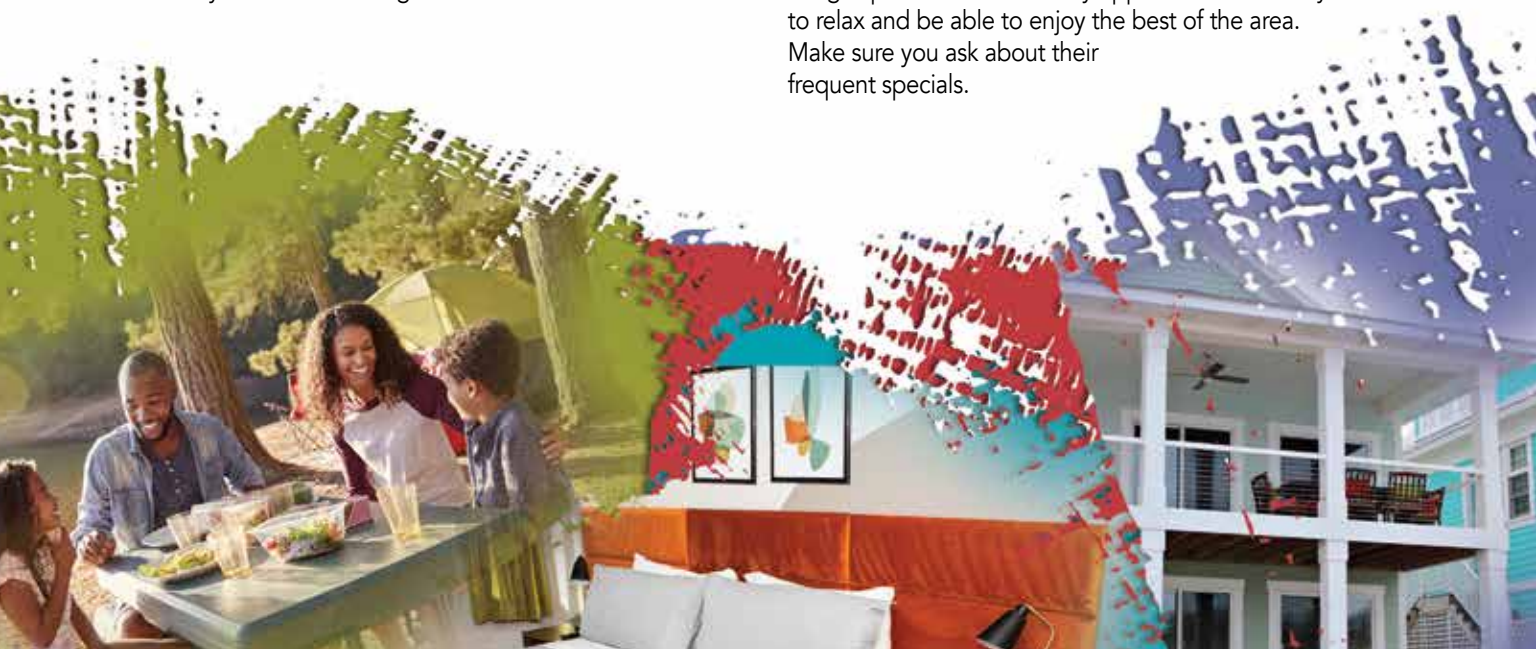

SO MANY CHOICES

We offer the guests in our area choices for where they want to stay. From B&B's, to campgrounds, to chain hotels and boutique resorts. LaPorte County has it all.

If you like to slumber in the great outdoors, you might want to consider Michigan City Campgrounds. Conveniently located near major interstates, the campground is just 5 miles to Lake Michigan. Nestled on 40 acres, they have camp sites that range from primitive to premium camping. Like to camp, but prefer a roof over your head? Michigan City Campground also offers many cabins and cottages.

Have a large family and need tons of space? Look no further than Beachwalk Vacation Rentals. Beachwalk has a large selection of grand homes and beach cottages. Amenities abound as each home receives a starter kit and access to the lake for fishing, the swimming pool and splash pad and the Beach Hut snack shop. New this year, is a pavilion to relax and listen to live entertainment or just chill in an Adirondack chair.

4411 Inn & Suites is elevated living at its finest. Rooms vary from king premium rooms to a 3-bedroom suite big enough for the whole family. The renovated "drive-up roadside motel" of ages past is a lush carefully appointed haven for you to relax and be able to enjoy the best of the area. Make sure you ask about their frequent specials.
