## 2026 Swim IN Safety Grant Guidelines

### Purpose

The goal of Indiana Sports Corp's swim safety grant is to break down barriers and make swimming accessible to as many Hoosiers as possible. There is a need to learn the fundamentals of swimming and increase water safety across the state. Our desire is to partner with organizations making an impact in this space.

Submit a grant if you are needing support for:

- Swim or water safety lessons
- Water Safety Education (dryland instruction)
- Equipment (goggles, suits, caps, lifesaving equipment)
- Lifeguard or CPR certifications

### Timeline

- Open now through December of 2026.
- These are rolling submissions. Once applications are submitted, the Indiana Sports Corp community impact team will review applications every two months and award appropriate funds while funds last. Once grant funds have been awarded, applications will be closed for 2026.
- **Grant Review Timeline**
  - First review period: Committee to review in mid-August. Notifications sent by the end of August.
  - Second review period: Committee to review in mid-October. Notifications sent by the end of October.
  - Third and final review period for 2026: Committee to review second week in December. Notifications sent by the end of the year.
