

WE MADE THE PROMISE

Indianapolis attractions have an outstanding track record of protecting our employees and guests. To ensure everyone's safety as we welcome you back, we ask that we make the following promises to each other:

OUR PROMISE TO YOU

- We will create a safe and welcoming environment for everyone visiting our attraction or cultural entity.
- We will work with guidelines established by our local and state government officials and follow all protocols set forth.
- All staff will pass a health check or complete a health survey prior to each shift.
- All areas within our attractions will comply with social distancing according to local jurisdiction guidelines.
- We will clean and sanitize common areas and high visitor-touch-point areas on a regular basis.
- Our food service partners will be required to follow all guidelines established by the FDA, CDC, and Indiana Restaurant & Lodging Association (INRLA).

YOUR PROMISE TO US

- If you have been exposed to or been in close contact with someone diagnosed with COVID-19 recently or have symptoms of COVID-19 (including a fever, cough, or shortness of breath), please stay home and seek medical attention.
- If you have underlying health conditions or are otherwise concerned about contracting COVID-19, please practice social distancing, stay home, and consult your medical provider.
