

INDY'S LGBT SCENE IS ALIVE

The Indy Pride Festival has more than tripled attendance, welcoming more than 100,000 visitors for the last two years. *Gay Travel Herald* took notice, naming it a "Top Ten Gay Pride Festival" in 2013. GayTravel.About.com writer Andrew Collins named Indy one of the most Underrated Gay Friendly Cities in America, and Indy made *OUT Magazine's* wish list of places to visit in 2018 (along with Melbourne, Madagascar, and South Africa).
