What once was a factory floor buzzing with busy workers now lays the foundation for dancing feet and warm embraces. Now restored and transformed from a functional warehouse into an elevated event space, [The Heirloom at N. K. Hurst](#) offers a sought-after, on-trend, historic industrial aesthetic featuring elements of the building's original 1906 construction. Original brick walls, polished wood floors, and exposed wood beams create a beautifully nostalgic and warm ambiance.

Directly attached to the Lucas Oil Stadium's parking lot and walking distance from the Indiana Convention Center, The Heirloom offers skyline views and outdoor terrace space; turnkey, in-house amenities such as farm tables, vineyard crossback wooden chairs, and lounge furniture; spacious green rooms; a house sound system; and more. Paired with Crystal Signature Events' thoughtful cuisine, inspired cocktails, expert team of event professionals, and unmatched service, The Heirloom's vintage charm will create the perfect setting for your event.
