The \$183-million Bankers Life Fieldhouse opened in November, 1999, and quickly earned a reputation as America's premier basketball facility. A monument to Indiana's rich basketball tradition, the state-of-the-art facility combines the nostalgic feelings of the past with the benefits of the future. The Fieldhouse is best known as home of the NBA's Indiana Pacers and the WNBA Indiana Fever, as well as being a venue for hockey, concerts, and shows. The Fieldhouse has approximately 18,500 seats, including 69 suites and 2,500 club seats. But it also easily accommodates banquets, dinners, private parties, corporate events, meetings, conferences, and lectures in locations such as the dramatic Entry Pavilion, the upscale Varsity Club, the sporty Best Locker Room or the fieldhouse floor itself. Bankers Life Fieldhouse is the showpiece of the downtown Wholesale District revitalization and is a true symbol of "Hoosier hysteria."
