

COVID-19 Updates & Resources

As Think Iowa City continues to closely monitor the development of the coronavirus (COVID-19) pandemic, we'll routinely share updates and resources that we hope will be helpful to you during these challenging and unprecedented times.

We are working closely with other local, state, and federal agencies to stay up-to-date on the latest developments and to advocate for support and resources for our partners. We encourage you to reach out to us with questions, concerns, or feedback on how Think Iowa City can help support you.

Curbside and Takeout Dining & Delivery

It was announced earlier that effective today, dine-in options at restaurants will end and bars will be closed until March 31. We encourage you to continue to support our local dining establishments and consider ordering for curbside, takeout, or delivery. You can also show your support by participating in #takeouttuesday.

We are working to compile a list of restaurants offering curbside and takeout menus to share on our website today. If your restaurant is not listed and should be, please email Monica Nieves at monica@thinkiowacity.com to be added to the list.

Our partner, CHOMP Delivery, is offering FREE delivery through April 1 with the code THINKIOWACITY.
